Grade School Bands Win First at Meet; Go to State Contest

Antioch and L. Villa Grade Schools Rank Tops at North Chicago

The Antioch Grade School band won a first division rating last Saturday in the District 6 band contest at North Chicago. It was a repeat for Director George Olisar's protégés.

The selections played by the Antioch pupils were "The Liberty Bell," by Sousa; "Distant Hills," by Dillon; and "The Black Knight" by Grundman.

As the result of this top rating the band will go to the state contest at Lewistown, Ill., 50 miles southwest of Peoria.

The Lake Villa Grade School band directed by Thala Rush received the same top rating and likewise will make the trip.

Band Parents to Meet

Antioch Grade School Band Parents Association will hold a meeting Tuesday, April 1 at the school. George Olisar, band director, will read the comments of the district judges, and also final arrangements will be announced for the state contest. It is important for all parents to attend this meeting to get directions for the state contest.

Mrs. Harold Cardiff and Mrs. James Dupre will serve as mothers for the month of April.

Lakeland Baptist and Lake Villa Methodist Hold Union Services

Joint Holy Week Services with the Lakeland Baptist Church and the Community Methodist Church of Lake Villa are planned.

The services will alternate between the two churches with the visiting pastor speaking each evening. Special musical selections will be presented by soloists, choral groups, and both choirs.

The week following Easter the Rev. T. V. L. Harvey, director of evangelism of the Chicago Baptist Association, will lead the members of Lakeland Baptist Church in an evangelistic visitation endeavor in the prospective homes of the community.

Easter Sunday Evening will be spent instructing callers and in a time of devotion, closing with a service of dedication of all the callers. Monday through Thursday nights will be spent calling in homes after a fellowship lunch with a brief period of instruction and season of prayer for Divine guidance.

Open Otto's Steak House

Jay and Helen Stewart have leased Otto's Steak House and will open it to the public on and after April 1, serving regular meals. Mr. Stewart has been employed by Peterson Bros. the past two years. Before that he operated a restaurant at Bemidji, Minn., five years, and the Willow Snack Shop at Wheaton two years. The Stewarts live at Edwards road.

Attend North Central Meeting

Principal A. L. Dittman of Antioch Township High School and Principal L. H. Rouse of the Grayslake Community High School, today attended a meeting of the North Central Assn. of Schools and Colleges in Chicago.

Bill Hart, Art Hanke, Jerry Dittmer, Designated Most Valuable Players, Cup Winner at Banquet

Two hundred persons attended the annual Athletic banquet served at Antioch Township High School under sponsorship of the Antioch Lions Club.

One hundred and twelve athletes and cheerleaders who participated in football and basketball events were introduced by their respective coaches and sponsors.

Bill Hart was named the most valuable football player on the Sequoit squad, and Art Hanke the most valuable basketball player. Jerry Dittmer won the free throw trophy given by the family of the late Roger Lang as a memorial to their son. The names of the three will be engraved on the trophies.

Joseph Patrovsky, substituting for Robert Jensen, Lions Club vice president, who was ill, gave the welcome address and the response was given by Wayne Herbst, president of the "A" Club.

Charles Larson was program chairman and Homer La Plant

Red Cross Drive To Start Saturday In Antioch Area

The campaign for membership and gifts to the Red Cross will start this week-end. Mrs. Leslie Sorensen, chairman of the Antioch Township drive announced.

Volunteers will conduct a door-to-door solicitation in an attempt to raise \$1,000 from this area. The total for Lake County is \$137,600.

The large amount of disasters this year has depleted the \$50 million reserve of the American Red Cross. For this reason people are urged to be generous in their giving.

Mrs. Sorensen issued a call for volunteers to help in the lake region.

"Anyone wishing to help, may call me at Antioch 1017-J," she announced.

Services of the Red Cross in Antioch through the teaching of first aid, and swimming are well known. Disaster relief is not known here, but should it become necessary it will be comforting to know that the Red Cross will be on hand.

At Lake Villa the fire department is conducting the campaign.

Cut of \$14,000 Seen For Antioch Township Levy at Town Meeting

A decrease of \$14,000 in the levy for Antioch Township is probable under the budget to be submitted at the annual Township meeting at 2 p. m. Tuesday at the Antioch Village Hall.

This was the surprising but pleasant news announced today by Supervisor Lloyd E. Murrie, head of the board.

The meeting Tuesday is one that everybody has a right to, and should attend if he or she is interested in township government which claims some of the tax money.

At this meeting the budget is set up for the poor relief and the general fund and voters have a right to be heard. The proposed budget has been available for some time for scrutiny.

The board held its semi-annual meeting Tuesday afternoon for the auditing of the books as prescribed by law.

Antioch G.A.A. Third In District Basketball Shooting Tournament

The Antioch Township High School Girls' Athletic Assn. captured third place in the 1958 telegraphic basketball shooting tournament by an average of 2.0. First in the district was Murphysboro who also took first in the state.

Two girls, Pat Byrne and Sharon Dittman received honorable mention for their high scores. Pat made 8 baskets in 11 trials and Sharon made 8 baskets in 12 trials.

Twenty girls shot in the tournament. The highest scores were sent to state headquarters.

Local girls who participated in the tournament were: Sandy Barnstable, Pat Byrne, Peggy Cardiff, Elaine Christensen, Sharon Dittman, June Dressel, Mary Lou Geist, Janet Keisler, Carol Kopecky, Carol Marotta, Elaine Ozga, Judy Pyles, Eleanor Schley, Kathy Sershorn, Judy Sheehan, Maureen Smith, Cleon Schley, and Paula Zeien.

Kenneth Smouse of the Antioch Township High School Music department will serve as judge Saturday at the District 6 chorus contest at Wauconda. Bands and choruses in the B and C classes will compete for honors.

Driest February March Sets Stage for Fires Of Grass, Slough Kind

Firemen Appeal to Citizens To Save Their Time in Carefulness

A record deficiency in rain and snow for February and March set the stage for the hazard of grass and slough fires which already have occurred daily this week.

During the 60-day period only .57 inch of precipitation has been recorded and that was entirely in snow, according to U. S. Cooperative Observer Roy Kufalk.

Fire Chief Edgar Simonsen has appealed to people to be careful. Antioch firemen, who are busy at their own private work, are asking the people not to take them away from work through carelessness in the starting of fires.

Grass fires some of which have threatened buildings have been extinguished by the Antioch department, as follows:

Bluff Lake lodge at 1 p. m. Wednesday; slough fire at the Bill Horton property on Rte. 173 Wednesday forenoon; William Gorski, Grass Lake road 3 p. m. Tuesday; Lawrence Yopp, Grass Lake road, Tuesday, barn endangered; Peck's Resort, Grass Lake, Sunday; Saturday morning Rte. 21 and Towline rd., Loon lake; Saturday afternoon; west of Smart's Country House.

A chimney fire at the Peter Freund residence on Rte. 59, also brought a call to the department.

Chief Simonsen said that nearly all of the grass fires started in the burning of brush or other material and the burning grass around it soon got out of control. The law prohibits the burning of trash or grass without the consent of the fire department officials, and Simonsen said that if this negligence is continued drastic action may be necessary.

The dryness of the surface of the ground does not mean that there is danger yet to crops. The heavy snow in January provided good subsoil moisture and some land is yet too wet to cultivate.

It is expected that planting of oats will start soon in this area.

The weather has continued cool despite a lot of sunshine and the temperature has averaged more than five degrees below normal.

600 Gifts Presented At Grand Opening of Barnstable and Brogan

Six hundred gifts with 38 as presents from wholesale dealers and manufacturers were presented Saturday to persons who visited the Barnstable and Brogan grand opening in Antioch Saturday. These did not include gifts to children.

Owners of the store were pleased with the large number of callers and feel that their business now is well established in its new location.

The 38 recipients included from Antioch:

Earl Pape, Emma Heick, Mrs. Lee Sorensen, Mrs. T. Babe, Mary Deppe, Pat Byrne, Marion Pouzar, Mrs. M. G. Hayden, Estelle Pahlke, Lilly Petty, Molly Somerville, Don Olson, Elsie Richards, Mrs. J. Holakorsky, Preston Reckers, Jr., Elizabeth Walsh, Mrs. Isaac Swanson, Elmer Eberman, Patrick Small, Mrs. E. Soder, Jr., Shirley Reichenbach (Grass Lake), Henry Bauer, Una Fox, Mrs. E. Keating, and Ethel Elsey.

From Trevor, Wis.—Alvin Pagel, Audrey Howen, Mrs. Rachael Crisafi, Mrs. B. Myra, Jim MacKenzie, Ruth MacKenzie.

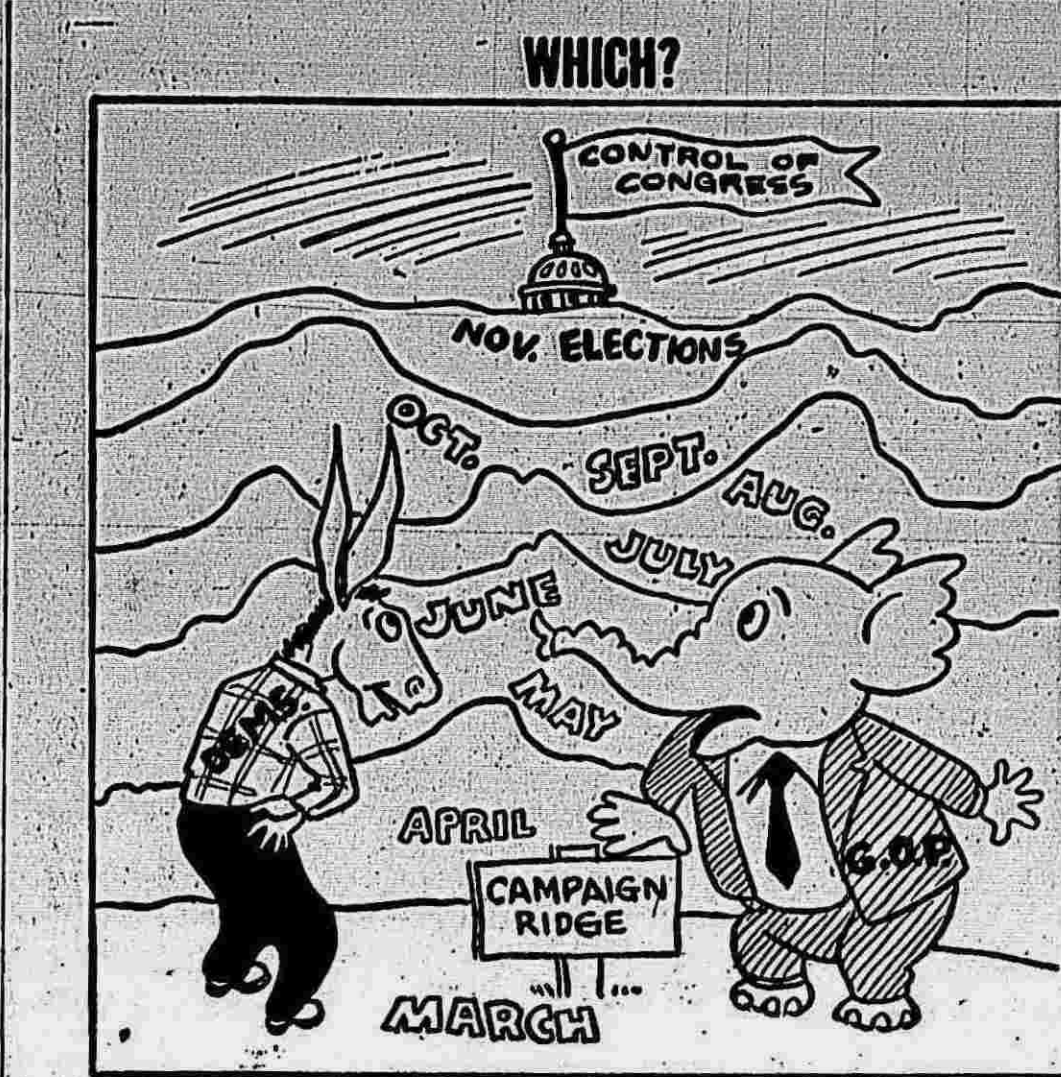

Others included Mrs. Paul Schroeder, Manitowoc, Wis.; Mary Olynick, and Virginia Greshamo of Salem, Wis.; Mrs. Paul Bacox, Roberta Thompson, Loraine Andre, of Lake Villa; and Mrs. Lyle Mecklenburg of Spring Grove.

Friberg Quits at Wauconda

Bill Friberg, head football coach at Wauconda Township High school has resigned to find employment in a larger school system. During the past year he took over the varsity wrestling team and produced the top mat squad of the school's history. In 1955 his football team sparked by Gene Jaskot, the school's first all-state athlete, was the highest scoring team in Lake county.

Child Rushed to Hospital

The Antioch Rescue squad rushed 20-month-old Randy Anderson to Victory Memorial hospital shortly after noon yesterday after he suffered a convulsion. The child, son of Mr. and Mrs. Sidney A. Anderson of Lake ave., Channel lake, was taken to the hospital once before while suffering a convulsion and was found to be suffering from pneumonia. His case yesterday had not been diagnosed.

Trevor Means Trevor, Wis. And Nothing Else In U. S. A.

(BY CHICK HUNT)

TREVOR: a post-village of Kenosha County, Wisconsin, on the Wisconsin Central Railroad. Population 120.—World Gazetteer, about 1910.

Residents of Trevor will be interested in this description of their community printed in an index of cities of the world many years ago.

They will be even more interested in the fact that in the same book their own village was represented as the only one named Trevor in the world.

Undoubtedly there are other Trevors. The name has a familiar ring. It is easy to pronounce—far more so even than Kenosha (meaning Pike Creek) or any of a thousand other Indian names applied to American hamlets, villages and cities. But it is evident that Trevor is not an Indian name.

One Cent Reduction Made in Fuel, Diesel Oil Price in Antioch

Antioch township residents benefited from a one-cent cut in the price of fuel oil Monday.

All companies serving the township made the cut after Standard Oil Co. announced its cut on home heating oils throughout Northern Illinois and the Hammond-Gary, Ind., area.

The cut was the result of an excessive supply even though this is a colder winter and more oil is being used.

G. Dudley Kennedy, Standard Oil Co. dealer, said that he got his order to cut the price early Monday morning.

Fred Schmalzfeldt of the Standard Oil Co. at Silver Lake, Wis., on Tuesday said he had not received instruction to cut the price in Wisconsin although he was rather expecting it. His order, he said, would come from Milwaukee.

Illinois dealers deliver only in Illinois and Wisconsin agents in Wisconsin because they are not licensed for interstate business. This prevents Wisconsin home owners getting deliveries from Illinois to get the cheaper rate.

Antioch is fortunate in getting the benefit of this cut, said W. V. Lahti of the Shell Oil Co. because it is considered in the Chicago zone.

Where deliveries were made Monday before the announcement of the lower price was made, the customers will be billed at the lower price, Lahti said.

Antioch High Baseball Season Opens April 8 With Grayslake Here

The sound of the baseball striking the padded mitt is being heard daily in the gymnasium at Antioch Township High school and the first warm dry days will hear the sound of the bat as the Sequoit team prepares for the opening of the season here on April 8.

The Grayslake Rams will be the first opponents of Antioch in the 12-game season in which Antioch will play all teams of the Northwest Suburban Conference twice.

Antioch Township High School's baseball schedule as arranged by the coaches and approved recently by the principals of the Northwest Suburban Conference as follows:

April 8—Grayslake at Antioch.
April 11—Ela-Vernon at Antioch.
April 15—Antioch at Round Lake.
April 18—Grant at Antioch.
April 22—Antioch at Wauconda.
April 29—Antioch at Warren.
May 2—Antioch at Ela-Vernon.
May 6—Round Lake at Antioch.
May 9—Antioch at Grayslake.
May 13—Antioch at Grant.
May 16—Wauconda at Antioch.
May 23—Warren at Antioch.

Because Lake Forest does not have a baseball team, byes are necessary for each team on two occasions.

Posts Contested for Antioch Grade School, High School Boards

Three Candidates for H. S. Five For Elementary School Offices

With three candidates seeking the two positions on the Antioch Township High School Board of Education and five the two vacancies on the Antioch Grade School board, the contestants await the balloting on April 12.

Harold Wilson is asking re-election on the high school board and the other two candidates are E. R. Prossie, of Lake Villa, a telephone company supervisor, and William Brook, Antioch banker.

Lester Hamlin, whose term expired, is not a candidate for re-election.

The grade school contest sees Mrs. Helen Kopriva, secretary again a candidate for re-election, but Robert Lindblad, incumbent, did not take out a petition.

Besides Mrs. Kopriva the candidates are Mrs. Ingeborg Wiegand, North avenue, Channel Lake; Raymond P. Toft, Shell oil station proprietor; Leylon Ipsen, Loon Lake, employed at Johnson Motors, Waukegan; and Joseph George Hellstern, Loon Lake.

The fact that there is competition for office indicates a healthy interest in school affairs, school administrators say.

Voting for the high school posts will be at Antioch, Lake Villa and Lindenhurst, and for the grade school, the school building itself.

D. Eugene Sheehan Dies Unexpectedly; Funeral Held Mon.

D. Eugene Sheehan, 46, of 1028 Victoria street died at 1:15 a. m. Saturday at his home as the result of a heart attack. Death was unexpected.

Mr. Sheehan was born June 11, 1911 in Lake Villa township and moved to Antioch 22 years ago.

He was a corporate member of the Avery Plumbing and Heating Co., Lake Villa, and a member of the Antioch Chamber of Commerce.

Mr. Sheehan was a member of St. Peter's Catholic church, and the Holy Name society of that church.

Surviving are his widow, the former Ruth Avery, three daughters, Mrs. Eugene (Nancy) Barth, Lake Villa; Mrs. Allen (Diane) Masopust, Lake Villa; Miss Janet Sheehan; a brother, William Sheehan, Deerfield Grade School superintendent; his mother, Mrs. Lulu Sheehan of Gurnee; and three sisters, Mrs. Robert McCann, Lake Villa; Mrs. Walter (Marguerite) Lohr, Hebron; and Mrs. Everett (Louise) McClure, Gurnee.

His father, Eugene Sheehan, is dead, as is also a brother, Fred.

The funeral service was held at 11:30 a. m. Monday at St. Peter's church with interment at Mt. Carmel cemetery.

The Rosary was said at 8 p. m. Sunday at the Strang Funeral Home.

New Grandson for Kufalks

Postmaster Roy Kufalk took a few days vacation this week to go to Rockford, Ill., to see his new grandson, Bradley Kufalk, born Saturday to Mr. and Mrs. Robert Kufalk. The youngster, the third boy in the home, was born on the sixth wedding anniversary of the younger Kufalks. Roy got a job taking care of the two older boys while the father taught school. The Antioch Kufalks now have five grandsons, but no granddaughters.

"Get Out the Vote" Will Be Slogan on April 2 As G.O.P. Club Meets in Pre-Election Festive

Scout Troop 92 Does Spring Cleaning at Antioch Scout House

The coming camporee will be an overnight event for all scouts in the Kenosha County. Compass, first aid and cliff rescue, judging in distance, tent pitching, woodsmanship, and fire building are some of the events that have to be passed within a time limit. We are sure we can bring another Class A rating home to the troop.

Plans and preparations are now underway for the troop to spend one week at Camp Ohio a Kota this summer.

On Sunday afternoon, March 16, the seniors and patrol leaders had an orientation compass hike.

"Get out the vote," will be the slogan as the Antioch Township Republican Men's Club meets for the last time before the primary election on April 2 at the American Legion Hall. The election will be on Tuesday, April 8.

Chairman Herbert Horton called for a full attendance of members and invited all Republicans of the township to be present at this meeting to which candidates are invited.

It is probable that the club's new charter will be received for presentation at this meeting.

Plans will be made for getting out a large vote at the coming election. Although the club is a young one, its members are showing much enthusiasm, and indications are that the usual quiet election will turn out to be a lively one through a larger vote.

Economic Highlights

A new income tax guidebook published by the firm of Prentice-Hall contains an interesting little special section, in addition to detailed instructions on how to accurately fill out your tax return. This section is based on the exhaustive Hoover Commission recommendations on ways and means to eliminate waste and inefficiency in the federal government.

In 25 years, the booklet points out, the national debt has risen from \$194 to \$1,611 per capita, and taxes have jumped from \$52 per average family to \$442 a year for every man, woman and child in this country. And here, according to the Hoover Commission experts are some of the reasons why.

PAPERWORK—Each year the government creates and handles 25 billion pieces of paper! A Commission recommendation adopted by the Veterans' Administration alone is saving more than \$1 million annually. Much more can be saved.

RED TAPE—Adopted Commission recommendations concerning government reports, forms, and other such matters are saving \$5 million a year for government and \$10 million for industry. Estimates say an additional \$100 million can be saved.

MEDICAL SERVICES—In 1955, the government spent \$427 billion for these. One adopted Commission recommendation has already saved \$335.5 million and many millions more can be saved.

TRANSPORTATION—Government-owned transportation competes with private transport. The Commission figures that a saving to the taxpayers of \$151.5 million is possible.

RESEARCH AND DEVELOPMENT—Twenty-nine different agencies of the government are engaged in these activities. The Commission says that fewer agencies, better centralized could do the needed jobs for less money.

INVENTORY—Because of the government's poor inventory system, mountains of supplies, including perishables, pile up. One horrible example was a 719 months' supply of canned hamburger, which has a "keeping life" of 24 months.

RECORDS—Government records take up space equivalent to 7 Pentagon buildings. Adopted recommendations are saving \$4 million a year and \$46 million more can be saved.

The booklet then observes that one of the biggest reasons for the present state of public spending is found in government competition with private enterprise in all manner of fields—electric power, insurance, lending, warehousing, transportation and so on and so on. For the most part, it points out, these enterprises pay no taxes, pay little or no interest on capital invested, seldom charge depreciation, frequently do not include their directing personnel on the payroll, and in most cases do not include the cost of "fringe benefits" of government personnel.

Former President Herbert Hoover has said that, if we adopt the recommendations "... the rewards in reduced taxes could be very great and the rewards in improved services even greater." And he added this significant statement: "... the key to real action lies in the hands of the citizens."

A Question of Special Privilege

There is no doubt that the Administration's proposed labor program has merit and is needed. At the same time, in the view of a great many people, it leaves untouched certain abuses, made possible by existing law or lack of law, which are at the heart of the critical labor problem.

For example, National Review has pointed out that the program has nothing to say on these subjects: "A. The fact that millions of American workers are coerced into joining organizations not of their free choosing, as a condition of making a living. B. The fact that labor unions are exempt

from the laws against monopoly and coercive practices that apply to all other economic associations. C. The fact that unions are privileged to use their tax-exempt incomes for political purposes prohibited to all businesses and business associations, and to all other tax-exempt institutions of any kind whatsoever."

In other words, the unions have enormous privileges that are flatly denied to all other citizens and organizations. Out of these privileges have come monopoly and, in certain instances, flagrant corruption. Every worker and consumer in this country has been penalized whether they yet realize it or not.

The primary needed reforms are two: The right to work law, which gives each worker the free choice of joining or not joining a union, and the extension of the anti-trust laws to the unions. These are basic principles, and it will be a tragedy if Congress bogs down in discussing details and ignores them.

Good Questions

Why do labor leaders object to making secret ballots in union elections mandatory?

Why do they object to penalties for failing to file statements of union finances?

In a "free" country how can they have the power to deny men the right to work unless they join and pay their organizations for the privilege?

In a land where equal justice for all is supposed to prevail how do they have immunity from "anti-trust" laws that apply to all other organizations that combine to control or restrict production to gain their ends?

More and more Americans are beginning to wonder whether the terms "democracy" and "freedom of the individual" are empty phrases in the United States.

Have workers in businesses become the pawn of labor organizations so powerful and wealthy that they are above and outside the laws that apply to all others?

These are good questions.

An Old Story

U. S. News & World Report says: "Two simple facts give you a clue to what has been happening in American industry:

"Fact one is that output of goods in factories for each man-hour of work has risen only a trifle more than one per cent in the two years since 1955.

"Fact two is that hourly pay of factory workers has in that same period gone up a bit more than 10 per cent."

This trend could produce something new in this country—a depression accompanied by high and rising prices. This is the kind of inflation that has destroyed currencies and brought collapse to governments all through history.

"Seeds of Discontent"

A good many people were disappointed because the President did not strongly urge much greater cuts in non-essential, non-defense spending in his budget message. But there's at least one powerful group which takes an opposite view. It consists of numerous members of Congress—and among its leaders are men prominent in the President's own party.

Newsweek tells the story, under the heading "Seeds of Discontent." Two features in the proposed budget especially disturb and anger them. One is the President's ban against new reclamation and water projects—a Western Senator is quoted as saying: "We've been building reclamation projects for 55 years. No one is going to pay a damn bit of attention to the budget. We're going to continue to build the projects."

The other feature that seems to be sending some tempers to the boiling point is the plan for reducing agricultural price supports. It certainly should be obvious to everyone by now that the high support policy that has been tested over 20 years has been an incredibly expensive failure. But, says Newsweek, there is bipartisan agreement that the plan doesn't have "a ghost of a chance."

If this attitude prevails, we will have non-defense "spending as usual" piled on top of defense spending on a scale as fast as to be beyond human understanding. Then we will have more taxes, higher taxes, or a big new wave of inflation—or all three at once. Then we will move toward national bankruptcy and economic chaos. What more could the Communists want? And you can put the blame where it belongs—on Congress.

Millburn

Mrs. Frank Edwards, Correspondent
Phone Elliot 6-3323

Regular services at Millburn Congregational church March 30, include Sunday School at 9:30 a. m. and church services at 9:30 and 11 a. m. Rev. Delbert Schrag of the Ivanhoe Congregational church had charge of the Sunday school morning service, while Rev. Messersmith is in Victory Memorial hospital.

Miss Donna Ballwanz of Mundelein and Donald Schroeder of Antioch were united in marriage by the Rev. Delbert Schrag of Ivanhoe at Millburn church Saturday afternoon.

The Study Group met this (Thursday) morning at the church at 9:30, with pot luck dinner at noon.

Mr. and Mrs. L. S. Bonner, Mrs. Lyman Bonner and daughters, Nancy and Kathy, spent Friday afternoon with Miss Vivien Bonner at La Grange.

Mr. and Mrs. John Edwards and family of Libertyville spent Sunday evening at the home of Mrs. Frank Edwards.

Dec and David Weaver of Winthrop Harbor spent the week end with their aunt, Mrs. Herbert Frange.

Mrs. Herbert Messner returned home Wednesday after spending several weeks at Miami, Florida.

Mr. and Mrs. Glen Hauser and son of Hickory were callers at the Frank Hauser home Sunday afternoon.

Mr. and Mrs. Leslie Bonner, Mrs.

Lyman Bonner and daughters spent Sunday afternoon with Mr. and Mrs. Victor Strang in Waukegan.

The April Committee of the Ladies' Aid is planning a Salad Bar and buffet luncheon at the church Thursday, April 3, at noon. The committee in charge is Mrs. William Paulsen, chairman, Mrs. Carl Anderson, Mrs. Emmett King, Mrs. George DeYoung, Mrs. Sam Hernquist, Mrs. Don Truax and Mrs. Bert Doolittle.

Business meeting in the church parlors at 1:30 p. m. and Devotions by Mrs. Garrett Trout.

The Millburn Maidens 4-H club will meet at the church Monday evening, March 31, at 7:30. The project for this year is sewing. It is still open for anyone to join the club.

TV HOSPITAL

Your Doctor prescribes medicine for a cold but you would have to go to the hospital for an ulcer operation.

I would guess that the hospital necessity is taken no worse than that of taking the TV set to the shop. About nine out of ten sets can be serviced in the home, but that one will need the special testing and service technique which can only be done on a service bench.

At the ECONOMY TV on rte. 173, 1 1/2 miles west of Antioch, you will see the latest equipment for fast and thorough electronic analysis. Many of our customers living far distances bring their sets to us and pick them up the same day. Or phone Antioch 1434 for service in the home.

U. S. railroads constitute a total investment of around \$95 billion—about 60 per cent in fixed property and 40 per cent in rolling stock.

LEGAL ELECTION NOTICE

For Board of Education of School District No. 34

Notice is hereby given that on Saturday, the 12th day of April, 1958, an election will be held at the Antioch Grade School in School District No. 34, County of Lake and State of Illinois, for the purpose of electing two members of the Board of Education of said district for the full term.

For the purpose of this election, said school district shall constitute a single election precinct and the polling place is established at the Antioch Grade School, Antioch, Illinois.

The polls will open at 12:00 o'clock Noon and close at 7:00 p. m. of the same day.

BY ORDER OF THE BOARD OF EDUCATION OF SCHOOL DISTRICT NO. 34

Dated this 22nd day of March, 1958.

Life Insurance Investments Upped During Past Year

NEW YORK — The five East North Central States showed the largest regional dollar gain in life insurance investments in the most recent analysis released today by the Life Insurance Association of America.

The analysis, covering investments by geographic region at the start of last year for companies representing 88 per cent of total life insurance funds, showed a one year rise in these five states of \$634,805,000. This brought total life insurance investments in these states of the companies surveyed to \$14,995,773,000, nearly double the investment at the end of World War II.

The three Pacific States accounted for the second largest gain, the year's increase of \$763,091,000 bringing total investments in the region to \$9,312,868,000, about three times the 1945 figure.

In the four West South Central States, the year's increase was \$620,117,000 and the new aggregate, \$3,797,723,000, up about 180 per cent from 1945.

In the three Middle Atlantic States, which lead the United States regionally in total life insurance ownership, the year's increase in life insurance investments was \$383,985,000, bringing aggregate investments of the life companies to \$14,218,915,000 or about 50 per cent over the 1945 figure.

Alfalfa Club Is Just For Fun Group

WASHINGTON—Ever since the days when Washington notables wore beards and sidebeards, they've gathered once a year to let down their hair.

Medium for the high jinks is the Alfalfa Club, with a membership limited to 150 of the nation's top diplomatic, executive, congressional, judicial, military, business, and professional men. They uphold tradition with an annual banquet, and with less formal get-togethers throughout the year.

The President, Vice President, and a quorum of the Cabinet are among Alfalfa's members. A World War II hero named Dwight D. Eisenhower was admitted to membership 12 years ago, long before destiny led him to the White House.

Despite its "Who's Who" composition, the club has no purpose beyond convivial fun. In a city where politics is a pervading, tensely serious business 364 days a year, the annual dinners give members an opportunity to forget political lines and lightly jibe at each other.

Climax of each Alfalfa banquet is a mock political convention. Members choose their own candidates for President of the United States. Needless to say, no candidate of the Alfalfa Party has ever garnered a single electoral vote—though many members have reached high office by both the Democratic and Republican routes.

Egypt's Sphinx Gets Beauty Treatment

WASHINGTON — There's nothing inscrutable about the Sphinx's present smile. The 4,600-year-old lady is getting a facial.

The Egyptian Department of Antiquities recently began cleaning and restoring the magnificent monument—an object of speculation, admiration, and mutilation since prehistoric times.

This is not the first time that the mysterious guardian of the pyramids has needed urgent care. King Thutmose IV ordered repairs some 3,500 years ago. It has received beauty treatments several times in the 19th and 20th centuries.

By and large, however, the colossus with a human head and lion's body has admirably weathered the erosion of old age and sand.

Insecurity Is Often Cause of Insomnia

CHICAGO — Physical contact—even if it's only your own hand touching your leg—helps overcome sleeplessness by providing a feeling of security, according to an Indiana sleep researcher.

Donald A. Laird, Ph. D., Lebanon, Ind., an industrial psychologist, said sleeplessness is frequently caused by some type of anxiety that keeps the person so "vigilant" that he can't go to sleep.

Mountains at Sea
WASHINGTON — The Atlantic Ocean hides the world's mightiest range of mountains, winding beneath the cold waters from Antarctica to the Arctic. Although peaks of the submerged chain average 10,000 feet, only the loftiest pinnacles emerge as islands above the sea.

Froelich Given Moose Lodge Award at Highland Park

George Schimler, second from the right, governor of the Highland Park Lodge No. 446, Loyal Order of Moose, is shown presenting to Morris Froelich, center, a plaque in recognition of his 15 years of service to people of Lake County. Looking on are, left to right, Virgil Frankel, secretary; Norman Fink, past governor, and extreme right, Anthony Porco, junior past governor.

Froelich Awarded H.P. Moose Lodge Trophy

Several hundred persons attended a benefit dinner at the Highland Park Lodge No. 446 Loyal Order of Moose on Saturday, given in honor of their Past Governor, Norman Fink. He served two terms as governor and for six years distinguished himself as Secretary of their Lodge.

George Schimler, the present governor introduced Bernard Hessling, chairman of the Benefit committee, who directed the activities for the evening.

Norris C. Froelich of Waukegan Lodge No. 708 was presented a plaque in recognition and appreciation of 15 years devotion to duty and service on behalf of the people of Lake County, Ill.

Froelich presented a check to Norman Fink in whose honor the party was given.

MOOSE
TOPICS

Fish and Shrimp fry Friday, March 28th, 6 to 8 p. m.

49ers Party Saturday, April 26.

The initiation and breakfast Sunday morning was well attended. Eight candidates were initiated by the Antioch ritual team.

New officers will be elected by the membership at 8 p. m. April 9. The installation ceremonial of new officers will be at 2 p. m. Sunday, April 27. This will be an open meeting, and the public is invited to attend.

A boy and a girl between the ages of 6 and 10-years of age will be used in the ceremony. All members having children in this bracket are asked to register their names with Mildred Gillum or the secretary of the Moose Home, Harry Wieland. The girl's name will be drawn from the entries at the first meeting of the Chapter in April, the boy's name will be drawn at the first meeting in April of the Loyal Order of Moose.

Lightning does strike twice in the same spot. Louie Portalski won a drawing recently for a life membership in the Moose. Sunday he won another drawing in Waukegan for a life membership in the Legion of the Moose.

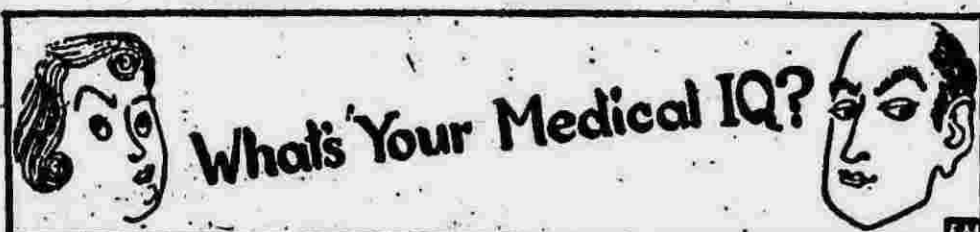

Ballot on Candidates
New candidates were balloted on at the business meeting of the Women of the Moose last Thursday at the Moose hall. Forty-nine co-workers were present.

To be a member of the WOMM it is not necessary for a candidate to be sponsored unless one is working for a second degree.

Senior Regent Mildred Gillum, requested a meeting of chairmen and officers at 8 p. m. today at the Moose Home. Chairmen will bring their attendance records and bulletins.

The Loyal Order of Moose will have a 49ers party on April 26 at the Moose Home. Members and guests are invited.

The net chapter night meeting will be held at 8 p. m. April 3.

How much do you know about your body, about things that make you sick? How about medicine that makes you well?

Here's a quick test of your medical I.Q. 9 or 10 correct answers, excellent; 7 or 8 correct, average; under 7, check your pulse.

1. Many thousands of Americans are expected to come down with Asiatic influenza, throughout the fall and winter months. Influenza is caused by: bacteria, virus, anxiety, houseflies.

2. Thirty-two teeth make up a full set of adult or "second" teeth. A set of "baby" teeth numbers only: 16, 20, 24, 28.

3. A stimulant used in heart failure comes from the leaves of one of the "foxglove" plants. The name of this drug is: Phenobarbital, Digitalis, Sodium chloride, Lanolin.

4. When body temperature rises above normal, it often signals the onset of infection. Normal body temperature is: 98.6°F, 100°F, 86.9°F, 72.3°F.

5. Rubella is a contagious disease which has no serious after-effects except when it strikes expectant mothers. The common name for Rubella is: Pneumonia, Parrot fever, German measles, Mumps.

6. Scientists believe a diet over-rich in a fatty substance called cholesterol may lead to blood vessel damage, heart attacks and strokes. A medicine used to counteract high cholesterol in the blood is: Cortisone, Linodixine, Belladonna, Acetophenetidin.

7. Penicillin was discovered through a fortunate accident in a London laboratory. The name of the scientist who discovered penicillin is: Albert Schweitzer, Robert Boyle, Joseph Lister, Alexander Fleming.

8. Vitamin C helps build strong teeth and bones. Of the following foods the richest source of vitamin C is: cottage cheese, liver, eggs, oranges.

9. Athlete's foot, also known as ringworm, sometimes results from walking barefoot on moist floors. This disease is caused by: iodine deficiency, a fungus, strong sunlight, a worm.

10. The human voice is produced through a hollow chamber at the upper part of the windpipe. The medical name for this voice box is the: Larynx, Thyroid, Trachea, Pharynx.

O'Neal of Crooked Lake. Mr. and Mrs. Clarence Kieffner and family spent Sunday visiting her mother, Mrs. Leona Wheeler of Chicago, who is ill.

There was a board meeting of the Altar and Rosary society on Wednesday evening following the Lenten services.

The April meeting of the Altar and Rosary Society of the Prince of Peace Church will hold the regular monthly meeting on April 2 in the school hall. The big business at hand is the spaghetti supper they are serving on April 12 in the church hall.

The Prince of Peace basketball team and their coach, Mr. Pleviak, were bursting with pride with the winning of two trophies on Sunday, March 23 in Barrington. The trophy was for winning second place in the conference and the other was for fourth place in tournament play. Since this is the first year that Prince of Peace has had a school and a team the pride is very justifiable. The players from Lindenhurst are Bill Brendel, Joe Downs and John Posson.

Mr. and Mrs. Harley Bone of Waukegan were Friday visitors in the home of Mr. and Mrs. Lowell Graves.

Mr. and Mrs. Alan Nelson and family spent Monday afternoon and evening in the John Selzer home.

Mr. and Mrs. William Kaub celebrated their 19th wedding anniversary last week with a quiet family dinner.

Mr. and Mrs. Lowell Graves and family were Sunday visitors in Round Lake and Ingleside.

Modern "super-tankers" are designed to transport twice the oil of former ships, with each one capable of carrying enough fuel oil to heat 15,500 homes for a year.

Among the Bhuyias of India, parents must attend school to make up the time when their children play hockey.

SOCIETY EVENTS

Mrs. Church to Tell Women's G.O.P. Club Of Acts of Congress

Mrs. W. C. Petty, 1038 Spafford st., is local ticket chairman for the eighth annual Easter brunch given by the Women's Republican club of the 13th Congressional District of Illinois in the Polynesian room of the Edgewater Beach hotel, Chicago, at 11:30 a. m. Thursday, April 10. Other local women in charge of tickets are Mrs. James Connell, of Sand Lake, and Mrs. John Stiehr, of Delaney Road, Wadsworth.

The purpose of the brunch is to hear a report entitled "Washington Dateline" from Congresswoman the Honorable Marguerite Stitt Church, on what is happening in this session of Congress, the purposes and expected results of current legislative proposals, and her own interpretation of the foremost issues facing our government today.

Ever since her induction as a member of Congress in January 1951, Mrs. Church has given scrupulous attention to the opinions and viewpoints held by her constituents and she has been equally concerned about keeping the voters in her district well informed on the significance of Congressional action as she can discern it from her seat in the House of Representatives. Her talks at the Easter brunch have become, in effect, her annual report to the voters who chose her to represent them in Congress. The excellence of these reports always attracts women from other Districts as well.

Her remarks on government economy and foreign aid will be of particular interest to her audience, for she herself introduced 77 bills to implement the recommendations of the Hoover Commission and nobody worked harder than she to secure passage of H. B. 8002, the Budget and Accounting Bill which is considered one of the most important proposals made by the Hoover Committee for saving taxpayers' money. Her knowledge of foreign aid comes not only from what she learns in Washington but also from three trips she made to Asia, the Near East, and Africa in 1953, 1955, and 1957 as a member of a subcommittee of the House Foreign Affairs Committee.

General chairmen of the brunch are Mrs. Horace Vaile, of Highland Park, and Mrs. Alverta Stewart, of River Grove, who head the organization in Lake and Cook counties, respectively. In speaking of the club, Mrs. Vaile pointed out: "One of the primary purposes of having a District-wide club is to strengthen the local clubs by providing educational talks, such as Mrs. Church's report, on the national level, thus enabling the city and township clubs to give more attention to local affairs."

Those who wish to attend are urged to secure their tickets as soon as possible. Mrs. Petty can be reached at Antioch 175-J and Mrs. Stiehr at Majestic 3-0503. Either one will be glad to try to arrange transportation for any who are in need of it.

MISS CERVENKA IN COLLEGE CHOIR

Miss Joan Cervenka was a member of the Lake Forest College Choir which presented "The Seven Last Words" by Dubois at Lily Holt Reid Memorial Chapel on Sunday, March 23. Miss Cervenka is the daughter of the George Cervenkas of Rte. 1 in Antioch.

Three professional soloists were featured in the presentation of the traditional Easter Cantata, Wilma Stack Moller of Northbrook, Dr. Leslie M. Dole of Lake Bluff, and Julian Stripe of Waukegan.

The 35 member choir is directed by Arnold R. Thomas, assistant professor of music at Lake Forest College.

CUB PACK 88 IS STARTED IN LINDENHURST

The Lindenhurst Men's Club is the sponsoring institution for the newly formed Cub Pack 88 in Lindenhurst. There will be a meeting on March 24, 31 and April 7, from 7:30 to 9 p. m. at the Men's Club house. The parents of boys 8 to 11 are invited to attend. Paul Wright will conduct the meetings and explain the Pack movements and the importance of parents' participation in scout work and crafts.

Mr. Harry Boal, institutional representative, will be present at all the meetings. They hope to get den mothers and all the workers that are needed to successfully run a cub pack.

W. S. C. S. TO HEAR BOOK REVIEW

The Women's Society of Christian Service will hold a regular meeting Wednesday, April 2 with a one o'clock dessert luncheon. The program for the afternoon will be special music and Mrs. W. C. Petty will review the book "The Full Circle," by Yoshiko Uchida. A business meeting will be held preceding the program.

Mrs. Elmer Hunter, Mrs. Gust Mantis and Mrs. Donald Gibbs visited the Chicago Assembly Order of Rainbow for Girls which was honoring Miss Barbara Dunlap, worthy advisor of the State of Illinois Assembly, recently.

Antioch Man Gets Army Trophy

Bernard J. Jasmer, Antioch, was accorded the honor of "foremost contributor" under the federal program encouraging employee suggestions. He is a civilian technician with the Post Signal Corps and is shown accepting the trophy which went with the honor from CWO Maxwell L. Souders, Signal Corps Field Maintenance Officer. (U.S. Army Photo by Sp3 Coutre)

Couples Club of St. Ignatius Plan Benefit Dance for Parish Building Fund

Thirty-five members of the newly formed Couples Club of St. Ignatius' parish church met last Sunday afternoon at 2 p. m. in the Guild hall of the church, to formulate plans for a benefit dance for the purpose of raising funds for the parish building program. Mrs. Kenneth Gilbanks presided over the meeting as general chairman of the dance committee, and Mr. James Fields was appointed treasurer of the newly formed organization. The dance will be held on Saturday evening, May 17, from the hours of 9 p. m. to 1 a. m. at the El Rancho Pasadena, which is located on Rte. 83 approximately one-half mile north of the state line.

Tickets for the dance may shortly be purchased from any member of the parish. Tickets may also be purchased from Mr. James Fields at the State Bank of Antioch.

All friends of St. Ignatius' parish are most cordially invited to attend what the committee believes will prove to be a most enjoyable and successful evening.

SERVICES FOR HOLY WEEK AT ST. IGNATIUS' CHURCH

Services for Holy Week at St. Ignatius' parish church will be highlighted as follows:

Wednesday:

The Holy Eucharist will be celebrated at 7 and 9 a. m. At 7 p. m. the choir will rehearse in the Guild Hall, and at 8 p. m. Evening Prayer will be read in the church, and a meditation given.

Maundy Thursday:

7 a. m. will see the beginning of the Maundy Thursday prayer vigil with a celebration of the Holy Eucharist. The vigil is composed of 17 hours of continuous prayer from 7 a. m. Maundy Thursday morning, until 12:01 Good Friday morning. A second celebration of the Holy Eucharist will be provided at 9 a. m.

Good Friday

The Mass of the Presanctified will take place at 9 a. m., and the usual services for Good Friday from 12 to 3 p. m. will be held in the church.

Holy Saturday:

The great vigil of Easter will begin at 8 p. m. with the blessing of the new fire, and the lighting of the paschal candle.

Services for Easter Day will be as usually scheduled with celebrations of the Holy Eucharist at 8, 9:30 and 11:00 a. m.

Miss Biel Hostess

Miss Gretchen Biel, a sophomore at Lake Forest College, served as a hostess at the first "On-Campus" lecture of the spring series sponsored by the College-Community committee.

Over a hundred townspeople and college students attended a panel discussion comparing higher education in Europe and America presented by three LFC professors who have studied and taught abroad, and a former student who also studied in Oxford.

Miss Biel is the daughter of the Louis A. Biels of Antioch.

LAKESIDE REBEKAH LODGE

Lakeside Rebekah Lodge No. 82 met in regular session Wednesday, March 19, with Millicent McCauley, noble grand presiding. Four new members have been received into the lodge by transfer, and an application for membership by initiation.

Plans are being made for the District meeting which will be held here next fall. The next meeting of Lakeside Lodge will be held next Wednesday, April 2, at 8 p. m. An Easter program will be given. Undine Perkins, junior, noble grand, is chairman for the program.

Jerry Huml, a graduate of Antioch Township High school, now a student at Cornell College at Mt. Vernon, Iowa, is spending his spring vacation with his parents, Mr. and Mrs. Richard Huml at Lombard.

Holy Week Services At St. Peter's Told By Fr. Henderson

6 p. m.—Solemn liturgical function of Our Lord's Death. Holy Communion may be received on Good Friday at this service only.

Holy Saturday

Fast of Lent ends at midnight. No services Holy Saturday morning.

10:30 p. m.—Blessing of New Fire, Easter Candle, Easter Water and Baptismal Font—Solemn Mass.

Easter Sunday

Low Masses—6, 7:30, 9, 10 and 11 a. m.

PLAN SUNRISE SERVICE

The Antioch Senior M.Y.F. is presenting an Easter Sunrise service on April 6, at 6 a. m. The service is to be held at Fox River Park. A breakfast will be served at the church at 7 a. m. for all those who wish to attend. The donation for the breakfast is 75 cents.

Robert Cain, 672 N. Main st., is among 200 Lawrence college students who were initiated into Greek letter groups at the start of the new semester on the campus at Appleton, Wis. Cain is affiliated with Phi Mu Alpha Sinfonia, national men's music fraternity.

The newly organized 4-H club will hold a meeting Monday, March 31 at the Scout Home. "Outdoor Cooking" will be the project for the afternoon. The meeting is open to girls from the 5th grade through the 8th grade. Mrs. William Strahan and Mrs. Harry Miller are leaders and the Junior leader is Miss Janet Keisler.

Randall Consolidated school will hold its monthly meeting Wednesday evening, April 2 at 8 p. m. at the Bassett town hall. Mrs. Ferchow, art teacher at Wilmet High school will talk on the importance of regular Art training in the school. Fourth grade mothers will serve refreshments.

Mr. and Mrs. W. C. Petty returned home Friday after a week spent with relatives at Sumner, Ill.

Calvin Behler of Milwaukee called on relatives in Antioch recently and attended funeral services for Dennis Kennedy.

Dr. Albert Bucar, Antioch optometrist, attended a contact lens seminar at the Morrison hotel, Sunday. The contact lens specialists in attendance were informed of the latest advances in contact lens and subnormal vision. A bifocal contact lens which heretofore has been unavailable was introduced.

B. J. Jasmer Makes Valuable Suggestion

Bernard J. Jasmer, civilian technician with the Fort Sheridan Post Signal Corps, was recently singled out of some 40,000 federal Civil Service employees in the Chicago area, for special recognition as the foremost contributor under the federal program encouraging employee suggestions.

Jasmer, a wire communications equipment repair man from Antioch, received special commendation for his incentive and the value of his suggestions in the interest of economy and better operation.

The award was presented at the Prudential Plaza in the Chicago Loop by Dr. Louis B. Newman, chief of the physical rehabilitation service, Veterans Administration Research Hospital.

Among those accorded honorable mention was Richard D. Zeller, Assistant Chief, Industrial Security Division, Fifth U. S. Army. He was one of 19 nominees considered for the Civil Servant of the Year award.

Antioch High School Band, Chorus Trip Reported A Success

A tour that took them 1,000 miles through two states and permitted them to give concerts in three high schools and two hospitals ended Sunday evening for the Antioch Township High School band and chorus.

The 92 students conveyed in three buses arrived home tired but quite pleased from their trip. They left on Thursday and were housed in hotels at South Bend, Detroit, and Ypsilanti.

Highlights of their tour in addition to the concerts included sight seeing and shopping in Detroit, and a visit to the famous Ford Museum and Greenfield Village in Dearborn, Michigan.

The tour was most successful according to Louis Chenette, music director. All concerts were very well received and the groups were invited to return to perform again in future years.

In addition to Kenneth Smouse and Chenette, the directors, Mrs. Kenneth Young and Mrs. Sigurd Nielsen served as chaperones.

The cost of the trip was borne entirely by the Antioch High School Music Assn. through money it raised by the minstrel show and other enterprises and nothing came from the school itself or any tax money, those in charge assured the public.

The band was permitted to take the time for the trip as a substitute for contest trips.

The slogan "Fighting Sequoits" by which the band is known was taken too literally at Ypsilanti where a gang of hoodlums accosted two of the bandmen in a restaurant and invited them to "come out and fight." They had seen the "Fighting Sequoits" plastered on the buses and to them a fight was a fist-fight.

It was necessary for police to patrol the hotel to prevent organized gangs molesting both the girls and the boys.

Antioch Assembly, Order of Rain-bow party March 29 at the Y. M. bow for Girls, will hold a swim-C. A., Waukegan. All girls wishing to participate will meet at the Masonic hall at 7:30 p. m. Grays-lake and Millburn Assemblies have been invited.

John L. Horan will attend a Past Commanders Club dinner meeting this evening at Downey Veterans Hospital.

Parents of Son

Mr. and Mrs. Richard E. Hoffmann are the parents of a son "John Kelly," born at Highland Park hospital March 26. Mrs. Hoffman was formerly Miss Judi Gaston, and is the daughter of Mr. and Mrs. Howard K. Gaston.

Mr. and Mrs. William P. Hansen and Mr. and Mrs. James Walsh spent several days at White Sulphur Springs, West Virginia recently, returning home last Thursday. Hansen, a representative of the Metropolitan Life Insurance Company, attended a business conference with officials of the company at the Greenbrier hotel. Mr. Hansen had an exceptional sales service record last year and is among the top-ranking members of Metropolitan's staff of almost 25,000 field representatives in the United States and Canada.

TO HOLD HOME BAKE SALE

The Women's Society of the Lakeland Baptist church will hold a home bakery sale at the Antioch Ford Garage, Saturday, March 31. The sale will begin at 10 a. m. Mrs. Leo Sheldon is general chairman of the sale.

Antioch Rainbow Girls Initiate New Member

Antioch Assembly Order of Rainbow for Girls met Monday evening at the Masonic temple. The meeting was presided over by the worthy advisor, Miss Betsy Frazier. Mrs. Donald Gibbs was installed as a member of the advisory board. Miss Carol Weighart was initiated into the order. Mrs. Shirley (Hennings) McLain, first worthy advisor of Antioch assembly, was a guest.

Miss Carol Hansen, a student at Normal State College at Normal, Ill., spent the week-end with her parents, Mr. and Mrs. William P. Hansen at their home at Lake Marie.

Mrs. D. N. Deering returned home recently after spending several days with relatives at Pierceton, Ind.

Fred Libert, son of Mr. and Mrs. Fred Libert, Jr., spent the past week with his parents. Fred is attending Cornell College at Mt. Vernon, Iowa.

"Alimony is paying for a subscription to a magazine that isn't being published any more!"—Howard Duff.

Search me, O God; and know my heart; try me, and know my thoughts.—(Psalm 139:23.)

When we truly surrender our lives completely to Our Heavenly Father, through His Son Jesus Christ, we will not try to hold onto or hide even the smallest evil thoughts. They cannot be hidden from Him—but He will forgive us when we are really repentant, when we really love Him.

Boy Scout Troop No. 92 has done it again! Last Saturday, approximately 60 persons from Antioch and adjacent areas were pleasantly entertained by the Boy Scouts. Indian dancing provided the main item of interest. Jim Gibson as Chief of the Pawnees and Rich Endean as Chief of the Cheyennes led their "Indians" in the various ceremonials.

Jim Horton, Scoutmaster of the Troop, was the Master of Ceremonies and did an outstanding job of making everyone welcome. Refreshments were served by the committee headed by Mrs. Ruby Horton.

How about it, Mom and Dad? Why not attend the next meeting and watch your son burst with pride as he shows you all the things he's learned since becoming a Boy Scout? You'll be proud, too!

The monthly meeting of Pack 92 of Antioch opened at 7:30 p. m. Friday with the flag ceremony conducted by Den 5.

A colored film of the Activities at Camp Ma-Ka-Ja-Wan was shown and enjoyed by all present. Prizes were given to three boys: Terry Eckert, Stephen Troyke and Bill Groeninger, who sold the most tickets for the Scout-O-Rama held March 1.

The Den Skit "Amuk the Hunter," was played by the boys in Den 2.

The table displays featured "Alaska" and were made by the boys in the different dens.

Cup cakes and milk were the refreshments for the boys, and the mothers of Den 6-7 supplied these. Mrs. John Blackman was in charge with Mrs. A. L. Franks and Mrs. F. T. Zeman helping. Coffee was served to the grownups.

Awards were presented to the following:

Bobcats—Richie Stroner and Phil Maplethorpe.

Wolf Badges—David White, and Steve Troyke, GA and SA.

Wolf Arrows—Don Zeman, SA, and Bill Sheldon, GA.

Bear Badges—Kurt Luedtke, GA, and 2 SA, and Gary Williams, GA and SA.

Bear Arrows—Bill Groeninger, SA, and Brad Ipsen, GA.

Lion Badges—Bill Johnson, Chester Mazur, and Kenny Sheldon.

Lion Arrows—Bill Eisey, SA.

Denner Stripes—Den 1—Kim Randall, Den 5—Randy Polson, and Den 7—Chester Mazur.

Ass't. Denner Stripes—Den 1—Terry Harrison, Den 3—Artie Meierdick, and Den 4—Mike Alsing.

Year Pins—Kenny Nelson, Randy Polson, Neil Taylor, Bill Gibson, Rick Gilday, Chester Mazur, Jeff Pachay, and Frank Roblin.

Vince Cassella graduated into Boy Scouts and was welcomed into Troop 91. Mr. Chester White is the Scout Master.

Mrs. Bruski announced she will take the boys of Den 1 into Chicago on Saturday to see "Around the World in 80 Days." Mrs. Bruski is the Den Mother.

Scout Troop 92

Spring cleaning, painting and repairing of equipment was the "order of the day" recently at the Scout House for Boy Scout Troop No. 92.

Led by Jim Horton, scoutmaster of the troop, the boys plunged into a myriad of duties designed to make our Scout House a better place.

The below listed boys were congratulated for their industry and energy in refurbishing one of the community's buildings:

Anthony Badame, George Badame, Pat Beattie, Jim Berg, Jim Callahan, Brian Cranley, Bob Cunningham, Steve Delany, Bud Dittman, Rich Endean,

Ernie Franks, Jim Gibson, Chuck Groeninger, Clem Haley, Ron Hellstern, Ed Jahneke, Ken Larson, Alroy Moller, Eugene Moller, Pat Morgan,

Tom Solar, Ron Taylor, Norman Van Rooyen, Ron Van Rooyen, and Cleve White.

Trevor Means.....

(continued from page 1)

of the world also claims the name, the claim has yet to be proved.

What does Trevor mean? Nobody of record knows.

Why was the village, its houses and stores clustered loosely about the depot of what is now the Soo Railroad, so named? Nobody knows that either, but theories are many.

When was this portion of Salem township (the latter was named for the word, "peace," in the Indian language) first called Trevor? Here opinions differ, but there is evidence that Trevor emerged out of the township in the late 1880's—soon after the year of the Big Snow.

The abstract of the title to the land on which Trevor came into being confirms this.

The abstract covers the original estate of Henry Edwin Brown, entered at the Land Office at Milwaukee, Wisconsin Territory, March 9, 1839.

This land, at first a quarter section but in 1880 somewhat less, lies on the west half of the southwest quarter of Section 27, Salem Town-

New Baptist Church on Grand Ave. W. of Lake Villa

Serving the Lakeland Baptist Church west of Lake Villa on Grand Avenue, is the Rev. Dale J. VanHovel of 793 North Main st., Antioch. The building, erected during the past year at a cost of \$6,000 is serving the comparatively new congregation nicely. A recent event that drew a good crowd at the church was the appearance Sunday of the Swedish Glee Club of Waukegan. The modern design of this church has attracted much attention in Baptist circles throughout the middle west.

Plan G.A.A. Banquet For Sat., April 12, Give Children's Party

Plans are being made for the eleventh annual Girls' Athletic Association banquet to be held on Saturday, April 12 in the girls' gymnasium at Antioch Township High School. Decorations will be around the theme of "Breath of Spring."

The chairmen of the various committees are Sandy Barnstable, place cards; Joan Burton, program; Karen Rentner, program making; Maureen Smith, seating arrangements; Trudy Good, table decorations; Caron Marotta, menu; Mary Forbrich, decorations; Janet Keisler, nut cups; and Siggie Petersen, clean-up.

Organization officers are: Judy Pyles, president; Peggy Cardiff, vice-president; June Dressel, secretary; and Sharon Dittman, treasurer.

Plan Bake Sale April 5

The Association is planning a bake sale to be held at the Ford Garage on Saturday, Apr. 5. Bakery goods of all kinds will be on sale.

Conduct Party for Children

The Association conducted a party at Lake Bluff Children's Home on March 20. This has become an annual affair and is very much enjoyed by the girls who attend. A group of 19 boys and girls, aged seven, attended the party.

The party began with a get-acquainted period and giving the children balloons, followed by games and entertainment by the Girls' Athletic Association. Food and presents were then given to the children.

Girls attending the party were: Judy Pyles, Sharon Dittman, Siggie Petersen, Cathy Arndt, Judy Zellbor, Judy Sheehan, Maureen Smith, Paula Zeien, Joan Burton, Peggy Cardiff, Mary Andersen, Bunny Schley, Judy Smith, Trudy Good, June Dressel, and Margo Jarvis.

Marshall Is State Champion

Marshall High School of Chicago won the Illinois prep school championship this year by defeating Rock Falls 70-64 in Saturday night's final game which many Antioch residents watched over television.

ship. It embraces also the west half of the east half of the southwest quarter and, with the exception of some 16 acres previously committed, comprises three fourths of a quarter-section minus that deduction—that is, 104 approximate acres.

In this historic abstract the first mention of Trevor as a place entitled to its own name occurs under the date of May 3, 1889. That day a quit-claim executed on behalf of Hiram Patrick and wife (heirs of Henry Brown) conveyed a portion of the pioneer's estate to other heirs, also named Patrick, for "the uses and purposes of a stock yard for the Chicago, Wisconsin and Minnesota Railroad Company (now the Soo Line) at Trevor Station, so-called, upon its line of railway."

Trevor Station, so-called. The community then must have been in its infancy. The name Trevor sounded strange in the ears of the nearby Kenosha legal firm which drew up the contract.

This information may not be conclusive. It may not indicate the earliest date at which Trevor was Trevor, even though addition of the phrase, "so-called," suggests strongly that its situation was formative.

At least it proved one fact, that is, that as early as 1889, Trevor had begun to be Trevor.

In other words, the history of Trevor may continue further back, but it cannot be brought further forward. With this we think most readers will agree.

Efforts have been made to find out how this village on a back road got its name, exactly when, and why.

These efforts have not reached fruition. But they are continuing. While they go on, the Antioch News invites readers, whether living in the village or outside of it, and whether on the Illinois or Wisconsin side of the line, to communicate any essential information.

Like the facts already known, these labors one day will become a part of Trevor's history.

The Antioch News and the Antioch Theatre invite Frank Grego, Rte. 2, Box 3, Antioch, Ill., and one to attend Sunday, Monday or Tuesday's showing of "Time Limit" at the Antioch Theatre.

28 Out For Track and Field at Wilmot High

Coach Frank Bucci of Wilmot High School has the largest squad of track and field athletes in the history of the school to work with this year.

The team will be led by four star returning lettermen, Capt. Wally Rosentreter, Jim Bauman, Wally Partenheimer and Bob Horton.

The Wilmot Panthers will open

their 11 meet schedule April 9 at Salem Central.

The schedule:

April 9—At Salem Central.

April 16—Union Grove at Wilmot

Smaller Amount Taken In Easter Seal Drive Where Finances Low

Persons hard pressed financially were told today that small amounts in change will be accepted in the Easter Seal campaign.

Dimes and quarters may have to be substituted for dollars by those who are out of work or have limited incomes, Mrs. Sybil Steiskal, chairman of the drive said. These may be left at the First National Bank in Antioch, thereby saving postage.

The money derived from the Easter Seal solicitation will be used to aid crippled children.

The contributions are falling behind the amount of last year, and unless a greater number give from now until Easter the amount for Antioch will fall short, the chairman said.

Twelve hundred seals were sent out in the Antioch area.

SALEM RECREATIONAL ORGANIZATION NEWS

Mrs. Zubor Underhill 2-2864

The Youth Recreational Organization of Salem Township, Wis., is attempting to organize a drama club for adults. Anyone wanting to spend an evening of relaxation and fun may attend.

The meeting will be held at 8:30 p. m. Wednesday, April 2 at the Salem Grade school.

Salem Cub Scouts Active

The theme for Cub Pack 8 this month is "Exploring Alaska." Den

No. 1 has chosen to make totem poles as their project. Den 2 is making igloos, and preparing a skit for the pack meeting. Den 4 is making a relief map of Alaska.

Any boys in the area between 8 and 10 years of age interested in joining Cub Pack No. 8 may do so by attending the meetings. They are held every Wednesday evening at 7 p. m. in the Salem Grade school.

The following four boys became Cub Scouts and were welcomed into the Pack: Bruce Dunek, Ricky Erickson, Tom Kremer and Mike Sand. There are four dens operating and room for more members.

Brownlie Troop 147 News:

Troop 147 ended Girl Scout week with a program, and two hours of skating followed at the Twin Lakes Roller Rink. The ten Girl Scout laws were dramatized by the intermediate scouts, the first five by the girls from Bristol, the last five by the girls from Wilmot.

The flag ceremony was done by the girls from Salem. There was folk dancing by the girls from Silver Lake and Scout Songs by the girls from Twin Lakes.

The Scouts and their leaders are deeply grateful to the Dunnes for donating the rink and the beautiful birthday cakes.

Sowisco Junior Rifle Club News

The following boys and girls are some of the top shooters in the club. Sharpshooters: Fred Lentz, Jr., Louise Cook, John Lentz, and Terry Lentz; marksmen, 1st class—Jim Mills, David Anderson, Bob Grumbeck, Donald Andjulis, and Bob Jenna.

Jewel Profit Sharing Reaches \$26,000,000

Last week more than 3,000 persons in the Chicago area received individual statements showing their share in the Jewel Tea Co., Inc. Profit Sharing Retirement Plan. This plan, known as Jewel Retirement Estates, has grown to a value of more than \$26,000,000 since it began in 1939.

Exactly \$4,778,063 was added to the Plan in 1957. Of this amount \$2,297,784 came from the 1957 company earnings bringing the total amount of contribution to the Plan from company earnings to \$15,982,445. This contribution from Jewel is based on 15 per cent of the company's net profits before taxes and after a provision to the stockholders. It is distributed to individual members on the basis of salary and personal deposits.

Individual accounts for longer term members range from \$15,000 to as high as \$25,000. Members in the Plan since 1939 received credits for 1957 ranging between \$1,500 and \$3,000.

All money held in the Plan is invested in Government Bonds, Corporate Bonds and Preferred Stock and Common Stocks. This investment program earned a total of \$1,028,063 in 1957. Membership in Jewel Retirement Estates is open to all full-time Jewel employees after one year of employment. Current membership totals nearly 6,000 Jewel employees throughout the country. Members help in building their accounts through their own contributions. They may deposit from \$1.00 to \$5.00 each week or 5 per cent of their salary. Employee deposits in 1957 totaled \$1,452,216. Since the plan's beginning 19 years ago, members have deposited \$12,149,568. For every dollar deposited by the members during the operation of this plan, \$1.32 has been credited to their accounts from company earnings.

Distribution of the full account takes place in cases of Retirement, Death or Permanent Disability; otherwise, distribution is based on years of service and membership. Members have received payments from the plan totaling more than \$11,000,000 during the 19 years that the plan has existed.

Antioch Jewel Employees Get Profit Sharing Credits

Jim Mueller, Pauline Naber, Ed Raetzman, Grocery Manager Ollie Lundell and Don Blackard of the Jewel store at 426 Lake Street in Antioch, Illinois, examine their results of profit sharing at Jewel. Among the 6,000 employees in the Jewel profit sharing retirement plan, many individual accounts now total \$15,000 with some as high as \$25,000. Credits to individual employee accounts in 1957 ran as high as \$3,000. The Jewel Retirement Estates profit sharing plan is now in its 19th year and has a total value of more than \$26,000,000. Almost \$5,000,000 was added to the fund in 1957 and of this \$2,297,784 came from company profits.

Fly By Night Mixed League

Wednesday, March 19

Antioch IGA had high team series with games of 856-682-743-2308 total.

High individual scorer was Al Fronek who bowled games of 254-166-191 for a total of 610.

Antioch IGA won two games from Jim's Service Station.

Wilson's Laundromat took two games from Old Hickory.

Pfaff's Needlers took two games from Four Aces.

Wednesday Night Business Men

March 19

Gaston Printing Company (a-h-m) had high team series, with games of 895-838-905 and a total of 2638. H. Kleeb of George's Bar had high individual series, with games of 196-201-214-611 total.

P. Reckers of Gaston's bowled games of 207-169-217 for a total of 593.

Lahti Oil won two games from Ken's Willow Farms.

George's Bar won two games from Gaston Printing.

Lasco's won two games from Decker's Tavern.

Pickard China won two games from Bill's Texaco.

VFW took two games from Grove Supply.

Weber Duck Farm won all three games from Badger Auto.

Thursday Business Men

March 20

Jack's Town and Country had high team series, bowling 880-1007-964-2851.

H. Shank, Jr., was high individual scorer, having games of 215-197-204 with a total of 616.

Jack's Town and Country beat Western Tire Auto Store all three games.

King's Drugs beat Salem King Pins all three games.

Lake Villa Lumber won two from Dick's Tree Service.

Merry-Go-Round won two from Truax Trucking.

Wertz Well Drillers won two from Ray's Shell Station.

Drije Chevrolet won two games from Carey Electric.

Thursday Night Bi-State League

March 20

Masek's Service Station took a little starch out of John Gaa & Son, knocking them off for three games.

Masek's had high team series for this season—2785, and R. Kinrade, of Masek's had high game and high series — 638-253. Kinrade had the help of J. Angeloff and L. Masek, who had series of 602 and 573, respectively. C. Moran and K. Mattson shot 618 and 587 but to no avail, the Gaa's still lost all three.

Ted Ozga had a very good night, spattering the wood for 623-235, helping Conrad's Cozy Corners win 3 from Antioch Sheet Metal.

Ray Atwood turned the heat on again, shooting 613-230 and his team, the Linders, won two from Rudolph's Turkeys. R. Rudolph and G. Rudolph had 608 and 568 for the losers.

W. Kiehl shot 575, giving Cunningham the necessary help to win 2 from Adolph's.

Esther Williams Pools won two from Kirchmeyer's. J. Vasta was high for the pools with 527.

Haydon Homes won two from Hickory Inn, with the help of Carter's 537.

Standings

1—John Gaa & Son 61 23
2—Masek's Service Sta. 48 36
3—Conrad's Cozy Cor. 48 36

4—Linder's Liquor 43½ 40½

5—Kirchmeyer's Const. 43 41

6—Old Hickory Inn 42½ 41½

7—Rudolph's Turkeys 42 42

8—Esther Wm. Pools 42 42

9—Haydon Homes 41½ 42½

10—Adolph's at Chan. L. 36 48

11—Antioch Sheet Metal 32½ 51½

12—Cunningham Cart. 24 60.

High individual averages: R. Kraft, 181; J. Angeloff, 180; T. Ozga, 180; C. Moran, 174; E. Slavik, 168; K. Mattson, 168.

"The Pinspotters"

Friday, March 21

Ruralite had high team series, having games of 780-765-789-2334.

Ruth Seyfarth was high individual scorer, bowling 172-178-167-517.

Wilson Upholstering won two games from Garwood Cleaners.

Reeves Drugs beat Ray's Shell Station all three games.

Ruralite won two from Dog 'N Suda.

C & L Builders won two games from Grass Lake Lumber.

Antioch IGA Foodliner took two games from Barnstable & Brogan.

Bussie's Lounge won two from Jefferson Ice Co.

Tavern League

Monday, March 24

High team series went to Red Arrow Inn on games of 686-867-949 and a total of 2702.

Al Kumpfer was high individual scorer, bowling 190-207-245-642.

Joe & Helen's won two games from Slide Inn.

Kapella's won two from Bud's. Red Arrow beat Tarfu all three games.

Kempf's won two games from Pasadena.

Recreation took two from Old Style.

Thompson's won two from Cole's.

Major Gutter Ball Girls

Tuesday, March 25

Red Arrow Inn had high team series, with games of 767-755-680-2202.

L. Blackman of Red Arrow Inn was high individual scorer, bowling games of 219-166-162, with a total of 527.

Red Arrow Inn won two games from Fortmann's D-X.

Taylor's Shoe Store beat State Bank all three games.

Cox's Corner won two games from LaPlant Masonry, and lost the third by three pins.

John's River Inn beat Adam's Lounge all three games.

Antioch-Laundrette beat E. Schlunz Builder all three games.

Pederson's Bakery won two games from Meinersmann's Insurance.

Knighthood Items From Many Lands Show Similarities

WASHINGTON—A collection of over 200 grand crosses of knight-hood is currently on display in the rotunda of the Arts and Industries Building of the Smithsonian Institution. This collection, the finest of its kind in existence, is lent by the Orders and Medals Society of America. It will later become a permanent part of the collections of the Smithsonian.

Included are badges, breast stars, and colorful sashes of such great and ancient orders of knight-hood as the Garter of England established by Edward III before 1350, the Order of Christ of Portugal founded before 1320, and the Order of the Annunziata of Italy instituted in 1362. Many of the grand crosses were owned and worn by distinguished persons, including the Marquess of Rockingham, Prime Minister of England in 1765; Mary, Queen of George V; Victor Emmanuel III of Italy; Carol I of Rumania; Baron Mannerheim of Finland and others.

Orders of knight-hood, while having roots in the Ancient World, developed to maturity during the late-Medieval Period. They provided a reward for military prowess, a social rank, and a security in return for a pledge of fealty. While the details of the institution varied from country to country and from century to century, certain elements seem to have been constant: (1) Knight-hood carried with it an honor that gave the recipient social rank. (2) The honor was conferred in a ceremony. (3) The honor carried with it certain privileges. (4) Rewards of value accompanied the honor. (5) The recipient belonged to a group, members of which had received a like honor.

Navy Seeks Aid In Chasing 'Gooney Birds'

UNIVERSITY PARK, Pa.—How do you discourage "gooney birds"? The U. S. Navy, which finds them troublesome at its Pacific air base on Midway Island, has requested the help of a Pennsylvania State University zoologist with the problem.

The birds, two species of albatrosses, nest on and near runways and offer serious hazards to planes using the air base. To study the problem, Dr. Hubert W. Fringe and his wife, Mabel, are now on Midway Island.

They have done extensive research on bird habits and several years ago devised a method of ridding urban areas of menacing starlings.

Because of their size (they have a seven-foot wingspread) the "gooney birds" have no natural enemies.

'Local' News Snubbed In German Papers

LOS ANGELES—Newspapers in West Germany are preoccupied "almost to the point of obsession" with national politics, leaving com-

munity news to shift for itself, says a UCLA journalism professor.

Professor Joseph A. Brandt, who spent a year in Germany as a Fulbright fellow studying the "miraculous" revival of German news papers, said local politics is ignored and local news, including the extraordinary achievements of Germany's cities in rebuilding, is told in "the most casual manner."

Depopulation

WASHINGTON—When gold was discovered on January 24, 1848, in California's South Fork American River, San Francisco was suddenly depopulated "as if by plague." One report said that of a population of about 900, all but a dozen left for the diggings. Thousands of easterners soon swelled the city to far beyond its original size.

Natural Disasters Killed More In '57

NEW YORK—Natural disasters were responsible for more than a third of the deaths in catastrophes—accidents in which five or more persons died—during 1957.

Catastrophe deaths in the United States totaled almost 1,700 during the year, or about 400 more than in 1956. The increase is largely a reflection of the unusually heavy loss of life in Hurricane Audrey, which caused approximately 350 known deaths in early June, most of them in Cameron, La.

All five of the major catastrophes—those which caused at least 25 deaths—occurred in the first six months of the year. Other major catastrophes: the fire which destroyed a home for the aged at Warrenton, Mo., in February, causing 72 deaths; the Kan tornado which struck the Kan. as City area, killing 39; a gas explosion which killed 37 in a Bishop, Va., coal mine; and the March blizzard which killed 29 in the Great Plains states.

LEGAL NOTICE OF ELECTION FOR SCHOOL DIRECTOR OF SCHOOL DISTRICT NO. 27, IN LAKE COUNTY, ILLINOIS

NOTICE IS HEREBY GIVEN that on Saturday, the 12th day of April, 1958, an election will be held at the School in School District No. 27 of the County of Lake and State of Illinois, for the purpose of electing one school director of said school district for the full term.

For the purpose of this election the school district shall constitute one precinct and the polling place therein shall be at Hickory School. The polls shall be opened at 1 o'clock p. m. and closed at 4 o'clock p. m. the same day.

(A caucus will be held at the polling place immediately before the opening of the polls for the purpose of nominating a candidate for school director.)

By order of the School Board of said District.

Dated this 25th day of March, 1958.

Town Meeting Will Be Held April 1

Illinois citizens—faced with a whopping all-time high 1958 property tax bill of one billion dollars—have their one opportunity to do something about part of that burden in a direct way on Tuesday, April 1.

On that date, annual town meetings are held in townships throughout the state. Bert Vandervliet, tax economist for the Illinois Agricultural Association, reminded citizens today. Most start at 2 p. m.

"You have the chance to control your 1958 township tax levies by attending your town meeting and taking an active part in government at the local level," the Illinois Farm Bureau tax specialist said.

More attendance is not enough, however, warned Vandervliet. Effective participation in a town meeting may require the reconciliation of highly controversial proposals submitted by the town board of auditors who prepare the tentative township budget and appropriation ordinance.

"To discuss the proposals intelligently, citizens and organization representatives should come to the meeting well informed about affairs of the township," said Vandervliet.

"One of the best ways to do this is to obtain a copy of the published annual reports of the township for the last fiscal period, from the township clerk.

"From it you can learn beginning fund balances, total revenues due from tax levies of previous years, amount available for expenditures for each fund in the previous year, and an itemization of the previous year's expenditures."

Vandervliet declared expenditures in many townships appear excessive. Similar townships with comparable population and economic conditions, for example, frequently incur expenses varying up to 500 per cent for identical services. The relief loads vary greatly between similar townships within the same counties.

A tax specialist and a close observer of local government for 20 years, Vandervliet also cited the example of compensation for elected town officers as expenditures which frequently bear little if any resemblance to rates of compensation for similar employment in private industry.

"Compensation of town officers in townships with comparable resources, relief loads, and population vary by as much as \$2,000 annually for intermittent part-time employment," Vandervliet asserted.

"In some of the largest counties having township tax collectors—including Cook—a spot check of tentative 1958 township budgets indicate proposed salaries up to \$10,000 for seasonal employment."

Citizens are forfeiting their right to control local expenses and their duty to control township expenditures by neglecting their annual meeting, Vandervliet said.

Tax levies adopted at the 1,433 town meetings will determine the total amount of 1958 tax bills as far as township government is concerned. This load will be payable in 1959.

As the town meeting is the only place where voters assemble to discuss and to act on their township levies, the group actually present is the one that may control township tax levies rather than the elected town officers.

BOWLING

Ten Pin Topplers

Tuesday, March 25

Gibbs & Jensen had high team series on games of 728-696-772—2196 total.

Ruth Seyfarth was high individual scorer, bowling 167-181-190—538 total. Kaye Keulman had a 520 total on games of 154-189-177.

Ethel Woodbury had 211 for high game.

George's Bar beat Art's Paint Store all three games.

Sexauer Realtor took two games from Golf View Manor.

Salem Country Club won two games from Servicenter.

Van Patten's took two games from Joe & Helen.

Gibbs & Jensen and Tuttle Mink had a game and a half each.

Adolph and Hazelman's also split 50-50.

Barnstable and Brogan Have Grand Opening

Barnstable and Brogan celebrated the opening of their new store at 945 Main Street, Antioch Saturday, March 22. Pictured above in their new location are, left to right, front row, Mabel Brogan, Doris Johnson and Helen Wolfenberger. Back row, Russell Barnstable, Irma Dattmeyer, Rose Masopust, Bernice Kolar, and Evelyn Frazier. (Picture courtesy Antioch Photo Service).

Salem Central High Held Science Fair

Central High School held its first science fair Thursday, March 20. Approximately 1200 people attended. Included in this group were parents and friends of Central High School students, all high school students of Central, and grade school students from the surrounding areas. This fair was free to the public and was termed a huge success.

There were over 70 exhibits and experiments entered in the fair. Interest ran very high in all the different fields that were entered, especially in the fields of biological sciences and physics.

Final judging was completed Wednesday evening, March 19. The judges were Mr. Ralph Lehman, Union Grove; Mr. Henry Otterson, Kenosha; and Mr. Douglas Barnett, Salem. Besides picking the winners in all the different categories, the judges picked the outstanding project entered in the fair. The winner was Jessie Day, a senior student at Central High School. Her experiment was on the effects of alcohol entitled "Alcohol and Your Liver."

The other winners were as follows: Chemistry experiments—1st place, Judy Johnson, Mary Conrad.

2nd place—Aileen Terry, Darleen Schultz.

3rd place—Helen Kraus, Barbara Conrad.

Honorable mention—Ruth Burgess.

Best chemistry exhibit—Lita Maleski.

Physics Experiments:

1st, Gary Dix; 2nd, Larry Schmidt; 3rd, John Dorn; honorable mention, David Westman, Donald Walker.

Best Physics Exhibit—James Barnett, Larry Ginder.

Biology Experiments—1st, Jessie Day; 2nd, Joanne Hincirlik, Sharon Herda; 3rd Pat Mentink; honorable mention, Rita Busse.

Best Biology Exhibit—Barbara Knickerbocker, Pauline Halsey, and Judy Halsey.

General Science Experiments—1st Place, Carol Vojtech, Diane Halbach; 2nd—Marge Lovewell, Janet Hanson, Carol Kaddatz; 3rd—Gary Nelson, Ted Weidner; Honorable Mention—Jackie Goring, Rosanne Horne.

Best General Science Exhibits (tie)—Betsy Wilson, Gale Flaschner; James Barthel, Carol Schultz, Barbara Epping.

Mathematics—1st—Paul Eberle, Jay Good; 2nd—Richard Sabin.

From here some of the top projects will be entered in the South-eastern Wisconsin Science Fair in Milwaukee April 11, 12, and 13.

This fair will be sponsored by Marquette University and the Milwaukee Journal.

Willow Dale Dairy Co. Continues Court Battle Over Barrington Laws

The Willow Dale Dairy Co. is continuing its court battle to place milk vending machines in Barrington.

The company won its case in Cook County Court when a village law declaring milk vending machines illegal was knocked out by the court.

Then the village permitted machines, but placed restrictions that were impossible of compliance. Atty. John J. Toohey, representing the Antioch firm, said that the village now requires a telephone be installed with each machine. Village officials said this is an order because two years ago people put money in machines without getting milk and had no opportunity to complain.

Toohey said that a water connection must be run to the dispenser; that a concrete platform be placed in front of the machine with an area equal to the area of the machine's base, and that it be protected by an "adequate screen."

Still another requirement of the ordinance calls for a thermometer showing the temperature inside the machine, and placed so that it can be read from the outside. This, Toohey said, would necessitate redesigning of the machines.

Barrington officials said that the new ordinance requires merely that a water connection must be available.

The hearing before Judge Harry M. Fisher is scheduled for April 21.

Taxable and Non-Taxable Income

"Taxpayers who had income other than wages should be careful to determine whether such outside or sideline income is subject to tax when preparing their 1957 Federal income tax returns," according to H. Alan Long, Chicago's District Director.

"The types of income which many people receive during the year are listed in the instruction booklet which accompanies the tax blanks Form 1040."

"Examples of income which must be reported include bonuses, tips, commissions, dividends, interest on bank deposits, interest on U. S. Savings bonds, rents, royalties, and income from part-time work not reported on the Form W-2," Mr. Long said.

Examples of income that is not taxable included social security benefits, railroad retirement act benefits, interest on state and municipal bonds, dividends on veterans' government insurance, and work-

men's compensation payments as well as gifts and inheritances.

If you are uncertain about the tax liability of any money received or earned during 1957, Mr. Long reminded, call the local revenue office for advice.

An explanation of the source of income should be provided in the return. The use of such terms as other income or miscellaneous income is not sufficient.

Remember that unreported taxable income discovered after you file your return is subject to interest and possible penalties.

The Navy icebreaker USS Glacier has crashed through ice up to 25 feet thick at McMurdo Sound, Antarctica.

The Antioch News and The Antioch Theatre invite Harold T. Johnson, Rte. 1, Box 227, Trevor, Wis., and one to attend Sunday, Monday or Tuesday's showing of "Time Limit" at the Antioch Theatre.

New Broom Cleans Antioch's Streets

The saying that "a new broom sweeps clean" now applies to Antioch.

The village has obtained a new street sweeper, which is already in use.

A special board meeting brought an agreement with the Austin-Western Co. of Aurora for the rental of a new \$9,205 sweeper with the option of purchasing it at a much lower price with the trade-in of the old sweeper.

Because the village appropriation did not call for an expenditure for

the sweeper, it will be necessary for the board of trustees to wait until a new fiscal year, May 1, to vote any sizeable sum for the purchase of the sweeper. In the meantime the village can rent the sweeper which is badly needed.

According to Mayor Cunningham the new sweeper has a two yard hopper and is the latest thing on the market. Business section streets will be swept four times a week and the residential areas once a week.

If 1915 mortality rates had prevailed last year, Health Information points out, an additional 300,000 of the four million babies born alive would not have lived to celebrate their first birthday.

Although oranges and grapefruit are called "hardware" by professional fruit buyers, these luscious citrus fruits spoil quickly if the skin is damaged by rough handling. That's why Jewel fruit specialists carefully inspect every box car and trailerload as it comes into the Jewel warehouse.

The produce manager at your Jewel is a fruit specialist too. He checks grapefruit to make sure they're firm, well-shaped and heavy for their size—a sign of juiciness and a tart and sprightly flavor. Oranges must be firm and heavy too—well-colored with a fine-textured skin for the variety. Because citrus fruit begins to dry out and lose weight if allowed to remain in the store for several days, Jewel oranges and grapefruit are delivered daily—so early in the morning, they're waiting . . . plump and juicy . . . for you when your Jewel opens!

Wouldn't it be wonderful to win a whole case of juicy oranges or golden grapefruit for your family playing Jewel Extra Value Line-Up?

Yesterdays

Taken From Antioch News
March 25, 1943

Members of Antioch Women's bowling teams have contributed over \$40 to the national "Buy a Bomber" fund being raised by women leggers throughout the country, according to Emma Phaler, secretary of the WIBC.

England, March 2, 1943

Dear Buddies—

I just returned from a trip almost half around the world to find my bunk completely covered with mail and packages that had been collecting for quite some time.

Sorting through my mail, I found your letter with the money order, news bulletin, and list of the other boys in the service. I want to thank you a lot. I think your news bulletin was swell and I hope you can continue to send them to us.

I got a picture of the sign in the park, and it sure is a honey. I didn't realize that there were so many fellows in the service from home.

Things in general are going pretty good over here and there is plenty of entertainment if you want to look for it.

Well, I want to thank you again for the letter and I think you are doing a good job.

Yours truly,

Jim Maplethorpe

Antioch schools will participate in the second Lake County test drill for the Citizens' Defense Corps, which has been set for Monday, March 29. Both the Antioch Grade School and the Antioch Township High School plan to conduct air raid drills. The siren at the high school will blow for two minutes at that time.

There will be no interruption of routine street traffic or general activities, the defense staffs announce, although all wardens, watchers and other staff members who can do so are being asked to participate.

Mr. and Mrs. William Lempke are the parents of a daughter, born Sunday, March 21, at Victory Memorial hospital, Waukegan.

Mr. and Mrs. Russell Homan spent Sunday in McHenry with Clark Havens.

Over fifty persons attended the Lenten dinner served by the Ladies' Guild of St. Ignatius church Wednesday at the hall.

SEQUOIT NEWS Irish Assembly Program Honors St. Patrick's Day (By Pat Ryan)

Special occasions down at the high school are celebrated by student assemblies, so we had a meeting to observe St. Patrick's Day.

It was a musical program of Irish folk songs. All the charm and gaiety of the Irish were captured in "The Irish Washer Woman" played by Mr. Von Holwede on his violin. He compared himself to Jack Benny, but the music proved him wrong.

Stuart Good entertained the students with "The Wearing of the Green"; Myrtle Hardtke sang "When Irish Eyes Are Smiling"; Sara McBride, "Johnny Doughboy Found a Rose in Ireland"; Marilyn Tiede, "When Love Is Kind"; Mabel Hunter, "Bendemeer's Dream" and Frances Zimmerman, "Believe Me."

Major League, Friday, March 19, 1943

The Antioch Recreation took two games from the Antioch Lumber Company last Friday. Lou Bauer was high with 608, followed closely by Emil Hallwas with an even 600 for the winners. Al Fisher was high man for the lumbermen with

573. The Recs shot 2757 for the series and the Lumber Co. 2728.

Lou Meade of the Antioch Liquor Store and Einar Petersen of Bernie's tied with 581 when the Liquors took Bernie's for two.

Hank Jarvis was the leader with 609 when the Terlap Roofers took two from Gus and Betty's.

**LEGAL
NOTICE OF ELECTION
FOR MEMBERS OF THE SCHOOL
BOARD OF SCHOOL DISTRICT
117, LAKE COUNTY, ILLINOIS**

Notice is hereby given that on Saturday, the 12th day of April, 1958, an election will be held in and for the Antioch Township High School District Number 117, Lake County, Illinois, for the purpose of electing two members of the School Board for the full term.

For the purpose of this election, the following precincts and polling places are hereby established:

PRECINCT No. 1: The following described territory: All of District 117 lying within Antioch Township and Newport Township shall constitute Precinct No. 1 and the polling place therein shall be at

Antioch Township High School. **PRECINCT NO. 2:** The following described territory: All of District 117 lying within Lake Villa Township, excepting the Village of Lindenhurst and the portion of the high school district that lies in Lake Villa Township east of Beck Road and the portion of the high school district that lies south of Grand Avenue and Granada Boulevard shall constitute Precinct No. 2 and the polling place therein shall be at Lake Villa Grade School.

PRECINCT NO. 3: The following described territory: All of District 117 lying within the Village of Lindenhurst and the portion of the high school district that lies in Lake Villa Township east of Beck Road and the portion of the high school district that lies south of Grand

Avenue and Granada Boulevard shall constitute Precinct No. 3 and the polling place therein shall be at the Lake Villa Grade School Building in Lindenhurst.

The polls will be opened at 12:00 o'clock noon and will be closed at 7:00 o'clock P. M., Central Standard Time, on the same day.

Voters are permitted to vote in precinct of residence only.

BY ORDER OF THE SCHOOL BOARD OF ANTIOCH TOWNSHIP HIGH SCHOOL, DISTRICT NUMBER 117, LAKE COUNTY, ILLINOIS.

Dated this 12th day of March, 1958.

LESTER C. HAMLIN
President District 117

Harold W. Wilson
Secretary District 117

CHEVROLET IS LOWEST PRICED OF THE LOW-PRICED THREE IN THE MODELS MOST PEOPLE BUY!*

The Bel Air Sport Sedan with Body by Fisher.
Every window of every Chevrolet is Safety Plate Glass.

—and you get more for your dollars besides!

Compare 'em and see. In the models most people prefer, Chevy costs you less than the other two low-priced cars. Yet Chevrolet's the only thoroughly new car in its field!

The closer you compare Chevrolet with the other low-priced cars, the faster Chevy comes off as the biggest buy in its field. Big in size. Extra big in value!

Look at Chevrolet's fresh new '58 look. This one's all new—lower, wider and a full nine inches longer. Look at the fine craftsmanship

of the only Body by Fisher in the low-price field. Sample Chevy's spirited performance. Feel its solid, smooth big-car ride. Add up all you get and weigh it against Chevrolet's low price and long-famous economy. You'll find that nothing else near the price offers more for your money. See your Chevrolet dealer.

Rocket Fuels Are Powerful As TNT

New York, March 26—Amateur rocketeers are literally playing with dynamite, the Association of Casualty and Surety Companies warned here today in a report released by the Special Hazards Subcommittee of the Association's Accident Prevention Department.

Because of the hazards involved, and the general lack of qualified supervisors, the committee urged the estimated 10,000 members of the country's mushrooming rocket clubs to switch their attention from live model experiments to research and study programs. It urges extreme caution and close supervision by qualified personnel in all cases where experimentation does progress to the stage of fuel development or the actual firing of rockets.

The committee described the sudden interest in rocketry as "highly commendable" and "highly characteristic of the younger generation" and urged that it be encouraged and constructively guided. However, it pointed out that the promiscuous building and launching of rockets is not a safe way to build useful knowledge, but is, instead, "the road to possible death, injury or severe property damage."

The report states that: "Fuels being compounded as propellants can be compared in energy value to high explosives. Pound for pound, some of the fuels have more energy than T.N.T. Others contain the essential ingredients of gunpowder. They all ignite readily, burn or explode violently with the evolution of intense heat and can build up high pressures when confined. They definitely are not materials to be handled indiscriminately by either children or adults."

The report also pointed out that the possession or use of propellant materials constitutes a violation of local ordinances in many communities.

In the report, the committee listed seven suggested measures intended to eliminate uncontrolled experimentation:

1. Hazards should be publicized through the press, through youth and parent groups and through the schools.
2. Merchants should discourage, insofar as possible, the purchase by minors of materials known to be used in rocket fuels.
3. Parents should make certain that their children are not experimenting with explosives without adequate supervision.
4. Actual rocket firings should be restricted to designated firing ranges under the direction of qualified persons who are families with the hazards involved.
5. Youth rocket clubs and amateur rocket groups should register with qualified organizations such as the American Rocket Society and should regularly report their activities for appraisal before experimentation or firings take place.

6. Schools, newspapers and similar agencies should know of recognized known rocket groups so that experimenters, inquiring about their own rocket experiments can be directed to such groups for advice and guidance.

7. The following basic precautions should govern every experiment involving the development of fuels or the actual firing of a rocket: (a) each person associated with a project should become familiar with toxic, flammable or explosive properties of the materials involved, whether used alone or in combination and, (b) proper clearance should be secured from authorities having jurisdiction before any launchings are attempted.

The Special Hazard Subcommittee, which regularly investigates and reports to the capital stock insurance industry any potentially dangerous new activity or technique, initiated the study of amateur rocketry when newspapers first began reporting deaths and serious injuries from unsupervised rocket experiments.

Noting that rocketry, unlike most other technical fields, permits experimentation with readily available materials and a minimum of knowledge, the committee concluded its report by advising:

"Instead of experimenting with live rockets, it is recommended that activities be confined to the study of models. Study programs for the collection of information on rockets, upper atmosphere, space navigation and aerodynamics can be made interesting and exciting. Instructors and others responsible for directing the activities of young rocketeers should focus their attention on such research, rather than on hazardous experiments."

EDDIE the EDUCATOR says

We must have first rate schools so that our children can be what they want to be, and should be... good citizens.

Illinois Education Association

A reliable estimate says the maintenance of records costs American business a cool \$12 billion a year—which explains the fast-increasing use of electronic computers and memory machines.

The Doctor Says—

Asian Flu Study

A study of the recent Asian influenza epidemic by the Yale microbiology department showed that only three out of 50 in the vaccinated groups were reported sick, according to the "Schering Science Bulletin," a compilation of recent medical articles. The article appears in the "Yale School of Medicine."

A nonvaccinated group of 50 had 20 persons reported sick, and a second group of nonvaccinated had 33 out of 50 sick. However, blood tests showed that about 200 per cent of these sick did not have Asian flu, but some other illness. The study also showed that another 20 per cent of the nonvaccinated groups had Asian flu, but did not display clinical signs of the sickness.

Matching Contact Lenses

Contact lenses, according to the "Illinois Medical Journal," are now available in different shades so that a woman may change the color of her eyes to match the color of her costume. In a facetious vein, the authors write: "It may offer a hint on whether to proceed with caution—stop or go. Rose-colored lenses will be reserved for that special occasion."

Diabetes Screening Tests

Two members of the Kansas State Board of Health, writing in the "Journal of the Kansas Medical Society," report that the results of approximately 11,000 diabetes screening blood sugar tests indicate that diabetes screening should be encouraged as a standard public health procedure (in that state). It is estimated that about 2 million people in the U. S. have diabetes. In this study, the authors report the blood tests (blood was obtained from the finger tip) proved more reliable than the urine test.

Report on Musicians

A study reported in the "Journal of the American Medical Association" showed that labored breathing and other respiratory ailments

are less common among musicians who play wind instruments than among nonblowers in other occupations. Responses from 364 musicians lead the authorities to conclude that no support could be found for teaching that emphysema (a form of pulmonary disorder) can be provoked by blowing a musical instrument.

Toothpicks are Dangerous

Misuse of toothpicks can lead to serious, and sometimes fatal, mouth infections, writes Dr. Charles A. Levinson in "Nursing Outlook." Toothpicks, hatpins, bobbie pins, paper clips and the like should not be used to remove food particles, he adds. Not only can such picking cause gum infections, but if contin-

ued it can lead to new cavities as well as enlarge the old ones. "Many cases of serious gum infection, pyorrhea and trench mouth have been brought on by this abuse."

Even jawbone destruction has resulted from use of toothpicks," says Dr. Levinson. He recommends use of dental floss to remove particles of food caught between the teeth.

Bairstow Tells Way To Make Unit School System Work in Co.

Lake County and suburban Cook County school districts are being deprived of many thousands of dollars each year under provisions of an outdated section of the revenue article of the Illinois Constitution of 1870, members of the Zion Exchange club were told Tuesday.

The speaker was State Rep. Jack Bairstow, Democrat of Washington, who promised Exchange men that relief for Lake County school districts can be initiated at the next session of the Illinois General Assembly.

Bairstow produced statistics to show that central and southern Illinois school districts are draining off cash from the state equalization fund at a considerably higher percentage rate than districts in Lake County and suburban Cook County.

Bairstow briefly explained the statutory provision of the 1947 Illinois Legislature which enabled the creation of community unit school districts, combining both elementary and high school systems under a single district. He pointed out that by 1955 the number of school districts in Illinois was reduced from 11,955 to 2,242. By that time there were 332 unit districts in operation, covering about 68 per cent of the state's area. Since that time, 245 more unit districts have been formed, making a total of 577 today, the bulk of which are in central and southern Illinois.

Bairstow explained that unit districts are given a larger share of the state equalization fund at the rate of about 38 cents per pupil for each \$100 of assessed property valuation.

Meantime, Bairstow said, Lake County and Suburban Cook County have generally retained the old system, with separate districts for high schools and grade schools. The result has been that they have not been able to share as generously in the state equalization fund as have the unit school districts of the central and southern parts of the state.

Bairstow produced figures to show that a community unit school district would draw about \$72,500 more per year from the state equalization fund than an area exactly the same size and valuation but which had separate districts for its high school and grade schools.

Formation of community units districts has been discussed in Lake County, Antioch included, but nothing came of these discussions because Section 12 of the Revenue Article of the Constitution limits the indebtedness of the school district to five per cent of the taxable property.

Bairstow explained that school districts in this region are desperately in need of building programs because of the mushrooming population. By remaining separate systems, grade and high school districts each are authorized a bonded debt up to five per cent of taxable property. But if they combined in the unit system, the bonded debt limit would remain at five per cent

with the result that expansion programs would be almost completely choked off, Bairstow said. He said this situation generally does not exist in central and southern Illinois where populations are decreasing or remaining about static.

Law Could Be Changed
He said specific exception ought to be written into the Constitution so that the limitation on indebtedness of community unit school districts would be 10 per cent of taxable property. Such legislation, he said, would put Lake County and suburban Cook County schools on a more equal footing with other sections of the state in the matter of sharing in disbursements of the state equalization fund.

Bairstow said that relief for Lake County schools is available because the foremost proposal for constitutional revision in the next General Assembly will be the Revenue Article.

"Since this equalization fund comes from the general revenues of the state of Illinois, I believe it is time that we made it possible for all the school districts to participate therein on an equal basis," Bairstow said.

He has served three terms in the General Assembly and is a candidate for re-election in the April 8 primary.

-No Comment-

(By James W. Douthat)

WASHINGTON—Conservatives in Congress are deeply fearful that the advocates of "big government" in Washington will succeed in using the present economic recession as a vehicle for a further devastating attack on state's rights.

It is pointed out that the campaign now in progress to federalize the state unemployment compensation system would—if successful—be another serious blow at government on the local level. Ironically, this controversy comes at a time when an Eisenhower-appointed committee is seeking to develop a program for transferring back to the states as many as possible of the functions now performed by the Federal Government.

Legislation is pending in Congress—introduced by both Democrats and Republicans—to provide by federal subsidies supplementary unemployment benefits in addition to those now authorized by state laws.

All major industrial states now have a maximum duration of 26 weeks for unemployment compensation, except Pennsylvania which

provides benefits up to 30 weeks. Identical bills introduced in Congress by Rep. McCormack of Massachusetts, the Democratic House leader, and by Rep. Mills (D-Ark), chairman of the House Ways and Means Committee, would extend federally financed benefits for an additional 16 weeks.

Payments would be 50 per cent of the worker's weekly wage, but not to exceed two-thirds of the average wage in the particular state. In many cases these bills would increase maximum benefits above those now paid.

Since the Ways and Means committee has jurisdiction of the legislation, Chairman Mills is in an excellent position to push it. And Democratic leader McCormack served notice to the House that "we expect to move very promptly" on the measure.

Another measure, introduced by Senator Case of New Jersey and seven other Republican Senators, would permit anyone whose benefits were exhausted in 1958 to receive extended payments until January 1, 1959. Thus, anyone who exhausted benefit rights would be entitled to benefits for the remainder of the year at the expense of the Federal Government.

The Eisenhower Administration also has proposed a program to provide federal unemployment compensation for those out of work who have exhausted their state benefits. This was revealed by Secretary of Labor Mitchell in his recent address to an AFL-CIO meeting in Washington: called to pressure Congress for enactment of anti-recession legislation.

The Federal Government has a fund, set up by Congress and now amounting to about \$200 million, from which any state may borrow if its unemployment fund is depleted. Authority exists for congressional appropriations to replenish this fund if it is exhausted.

However, state's righters point out that the state unemployment reserve accounts now have available nearly \$9 billion—and the Federal Government is facing a period of deficit spending.

In this situation, they ask: why are the states—which, after all, have the primary responsibility—not permitted to solve the problem?

The basic policy question is whether the Federal Government should supercede the state legislatures by assuming the power to dictate how long unemployment benefits are paid. Because the state legislatures have dealt with this legislation for two decades, they know the facts and the problems

involved. The state laws are delicately balanced. Great efforts have been made in the states to develop, over the years, sound programs that offer strong incentives for employment stabilization.

Opponents of federalization contend that the program must not be permitted to be "liberalized" to the point at which it would become a vehicle for the immobilization of the labor force for the maintenance of great pools of idle men living on government subsidy.

Veterans May Enlist In Air Force Reserve

The Waukegan Air Reserve Center, 218 Washington street, Waukegan, has announced that they will now accept applications for enrollment in the Air Force Reserve Program from enlisted veterans.

Approximately 500 openings in various fields are now available to the former enlisted men, to be filled on a first come first serve basis. In most cases, those accepted will serve in the same pay grade they held when discharged from active duty.

If accepted by the Air Reserve, the veteran will be eligible for classroom training which is provided by the Waukegan Center, and will be required to participate in three 2-hour training periods each month, for which he may receive one day's pay for each period.

Classes now being conducted at the Center for enlisted reservists, include training in management, supervision, and administration. Although these classes are designed to fit the needs of the Air Force, they also serve to increase the reservists' potential for advancement in civilian life. These classes are conducted on an academic year basis, leaving the summer months free for vacations.

Enrollment in the Air Force Reserve also entitles the reservist to participate in an annual two-week tour of active duty at a Regular Air Force installation. The reservist may normally select the time of year when he wishes to take his active duty, allowing him to schedule his tours at such times that will not interfere with his civilian occupation.

Read Mark 14: 22-31.
Broken for you. (I Corinthians 11:24.)
Jesus spoke these words when He was changing the Jewish Passover into the Lord's Supper. The bread was broken for distribution, but this practical purpose acquired symbolic meaning. The breaking of the bread on Thursday evening foreshadowed the wounding of His body on Friday morning.
Why was His body pierced and wounded? It was broken for you, broken for me. Broken for each one personally, as if each person were the only one in the world who needed to be saved.
The broken body of our Lord was taken down from the cross and buried, and the sepulchre made secure. But in less than three days there was a broken seal, an open tomb—once more, broken for you, broken for me. The Christ who died came to life, never to die again.
He is broken for you and for me to share with others. Let us take Him with us wherever we go: take Him to broken hearts, to broken homes, to broken nations, to persons of every race.

Prayer

Eternal Father, Thou didst stretch forth in love Thy almighty hand to give us Thy divine help. We thank Thee for Christ, who willingly and with purpose sacrificed Himself for our redemption. Deepen our concern for others that all men may find salvation and peace in Him. In His name. Amen.

Thought for the Day

Slain for the healing of the nations, the broken Christ can save this broken world.—Sydenham R. Lindsay (Quebec.)

LITTLE BILL says:

6¢ a load
is all you pay—
to dry the clean
electric way

An electric dryer will dry this normal 8-lb. load for only 6¢—2 sheets, 3 bath towels, 4 hand towels, 2

men's T-shirts, 3 pillowcases, 3 children's dresses, 2 luncheon cloths. Drying time only 25 to 30 minutes.

Nothing's faster, nothing's cleaner—
and electric dryers are completely automatic

COST?

ELECTRIC DRYERS

cost
\$30 to \$60 less
to buy
than any other kind

A new electric dryer will wipe out your wife's weather worries on washday (and costs less to buy than any other kind).

And for just 6¢ a load, electric dryers give you the cleanest way to dry clothes. Clean, dry, radiant electric heat—like the sun—turns out clothes that are soft, sweet-smelling every time.

Fast, too. Today's electric dryers will dry a full load in 25 to 30 minutes. All electric dryers are fully automatic, nothing to light, no igniting devices to require service.

We think you'll be surprised when your appliance dealer tells you how little it costs to own a modern electric dryer.

See your electric appliance dealer

U. of I. Food Report

Chicago Retail Food Markets
March 24-25

CHICAGO—Weather has cast an uneasy spell over market situations, reminding food specialists that they are fortunate last week's outlook carried the cushion of uncertain elements.

The report forecasted some lowering food prices, based on seasonal expectations, within the next three weeks. The big IF was weather—and this week it is a bigger IF.

The University of Illinois consumer service weekly survey of metropolitan wholesale and retail food outlets will stick with its previous prediction, providing favorable weather cooperates. This is in the face of several significant price advances that are present this week. However, with adverse south and southwestern weather raging again as this column is written, and with the possibility of a continuing aggravated situation, the U of I notes a rough time ahead for food supplies—volume, quality and price.

To put the damper on things from this vantage point, should new-crop growing regions run into a prolonged wet, cold spring, "markets will be in a mess," to quote one source.

Nowhere at the moment is there conclusive evidence that the current business cycle has caused measurable declines in food purchasing. Indications are that the so-called economy foods have been "bid up" by customer purchases.

Good weather—the fair and warmer variety that produces abundance—is the biggest factor involved in current costs, and this prompts marketing people to say "we're on the brink of better values."

Meanwhile for the week ending March 25, everything is reported steady at high levels to higher at wholesale with many items variously reflecting the upsurge at retail. One real exception is noted—orange, down at wholesale and better priced at retail.

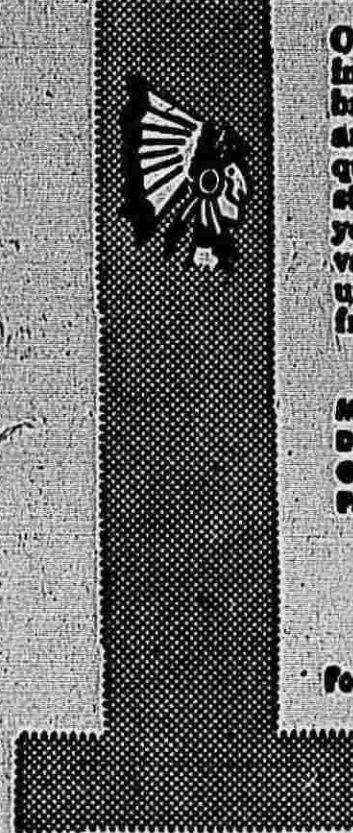

Cattle and hogs are scarce on the market, and no one seemingly has the answer. Prime beef hit \$39 per cwt., the highest since 1952, while pork in March reached a four-year high for the month. Cattle arrivals are 10 per cent below a year ago, hogs 8 per cent below last year, with sheep and lamb just a shade ahead of a year ago—resulting in average meat production 2 per cent below last week and 11 per cent below a year ago. Poultry is about 10 per cent more than average supplywise, but 13 per cent below last year, the average based on the period 1953-57.

For the week, however, the U of I signals these relative meat values: Lamb shoulder roasts at a 49c low, rib chops at 89c, and lamb leg roasts a typical 69c. Turkey is the poultry meat value, toms 43c, hens and Beltsvilles 49-53c.

Other meats do not show on the value parade, but some prices include: Beef blade cut chuck roasts 53c, round bone roasts 69c, round steak 89c, porterhouse \$1.09, sirloin 98c, hamburger lowest 55c and standing rib roasts 69-79c.

Pork rides high with rib roasts 49-53c, loin roasts 65-69c, center cut chops 98c, butts 55c and spare ribs 59-61c. All processed pork, led by

U of I MARKET BUY

Only weather reports of "fair and warmer" in the nation's produce shipping areas can bring ripening crops to market and avoid another upward price surge. Red meats will quote higher as supplies continue short and storage stocks measure one-third less than a year ago. Poultry meats are the relative value, even with storage stocks now 18% under a year ago. Better bargains exist in frozen and other processed foods.

CHICAGO FOOD VALUES

Meats: Lamb shoulder roasts and rib chops—Turkey, Delys Large eggs—Cheddar cheese—90 score butter. Groceries: Tuna fish—Peanut—Green beans—Corn. Produce: Oranges—Delicious apples—Broccoli—Spinach.

Based on Market Survey
For Week March 24-25

For more market tips and food information write:

UNIVERSITY OF ILLINOIS
CONSUMER SERVICE
180 N. La Salle St., Chicago 1, Ill.
or Mumford Hall, Urbana, Ill.

bacon and ham, is steady at high levels to slightly higher.

Fryers, incidentally, to round out the poultry picture, are on the high side but steady at 43-45c.

Eggs are up at wholesale, but reflect the increase slightly at retail, grade A large size quoting 58c. Butter is a bit cheaper, 90-score quoting 65-67c, higher scores 73-75c. Milk is holding at seasonal lows, 75c a gallon generally.

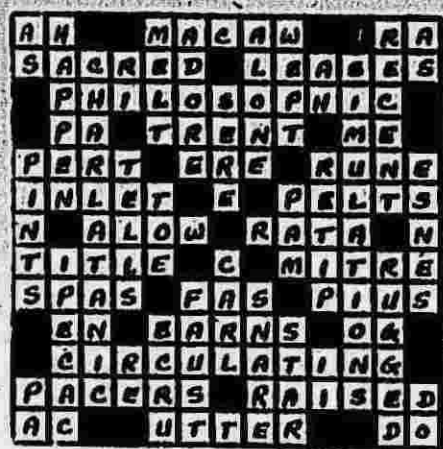

To continue the value picture, consumers will do better in grocery lines. Tuna fish, peas, green beans and corn are standouts. Except for tomatoes, storage stocks are more than ample to hold most staple groceries steady. Tomatoes, on short storage supplies, are the exception here, taking a considerable jump in price. Frozen vegetables are 28 per cent ahead supplywise of the 1953-57 average and also represent value potential.

Fresh produce continues in the problem area, subjected to continuing rounds of bad weather (we lost count after the fifth). Most produce is up again at wholesale, causing even items like cabbage which had downturned to reverse itself momentarily. But the best relative values seem to be oranges, Delicious apples, broccoli and spinach.

New-crop onions are arriving—and even the marketing people will go no further than observe that new-crop onions are upcoming, period. Whether the current new-crop price of 2 lbs. for 25c (as against the old-crop price of 3 lbs. 19-25c) can be considered a barometer of prices to prevail, there is no comment—again weather, acreage, production and a number of factors lurk in their minds.

This, then, is the market for an unpredictable week that leaves many dangling questions for mother nature to answer.

You're an old-timer if you can remember back when a baby-sitter was called Mother.

(Puzzle on page 10)

LEGAL
NOTICE OF ELECTION

FOR SCHOOL DIRECTOR OF SCHOOL DISTRICT NO. 33, IN LAKE COUNTY, ILLINOIS
NOTICE IS HEREBY GIVEN that on Saturday, the 12th day of April, 1958, an election will be held at Emmons School, in School District No. 33 of the County of Lake and the State of Illinois, for the purpose of electing a school director of said school district for the full term.

For the purpose of this election the school district shall constitute one precinct and the polling place therein shall be at Emmons School, Route 59 and Beach Grove Road, Antioch, Ill.

The polls shall be opened at 12 o'clock Noon and closed at 5 o'clock P. M. the same day.

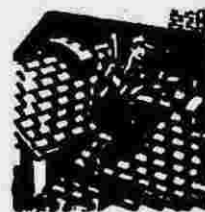

(A caucus will be held at the polling place immediately before the opening of the polls for the purpose of nominating a candidate for school director.)

By order of the School Board of said District.

DATED this 21st day of March, 1958.

Come in and pave the way for these rewards by starting your own savings account.

STATE BANK of ANTIOCH

ANTIOCH, ILLINOIS
Member Federal Deposit Insurance Corp.

Wisconsin Central Railroad Company

(Operated by the SOO LINE)

Proposes to curtail passenger train service between Duluth and Chicago, and St. Paul and Owen

Because of practically no patronage on its passenger trains, the Wisconsin Central R.R. (The Soo Line) has petitioned the Wisconsin Public Service Commission for authority to discontinue trains Nos. 1 and 2, which now operate on a 6 day per week schedule between Chicago and Stevens Point.

It will also seek to discontinue passenger train operations on Saturday night from St. Paul to Owen and early Sunday mornings from Owen to St. Paul (trains Nos. 3 and 6), and on Saturday night between Chicago and Duluth (trains Nos. 17 and 18):

Between St. Paul and Chicago, authority to eliminate all but the following stops will be requested: New Richmond, Chippewa Falls, Owen, Marshfield, Stevens Point, Waupaca, Neenah, Oshkosh, Fond du Lac, Waukesha and Burlington.

Authority to discontinue trains Nos. 117 and 118 between Spencer and Ashland will be requested.

Communities affected will be adequately served by other forms of transportation. Adequate provision for continued satisfactory mail service will be made by the Postal Authorities, and the Wisconsin Central R.R. (The Soo Line) will advise the Commission of its plan to handle express traffic for the Railway Express Agency by highway vehicle or otherwise.

The Wisconsin Central R.R. (The Soo Line) wishes to advise the affected communities and the general public of the reasons for its action.

Briefly stated, they are:

1. The railroad's passenger traffic has been lost to the private automobile, busses and other forms of transportation, and there is no longer public need for the services that are proposed to be discontinued.
2. The enormous out-of-pocket losses sustained by the railroad in connection with its passenger operations are a serious drain on its financial resources.

Here are some important facts the public should know:

- In the year ending November 30, 1957, the out-of-pocket cost of operating passenger trains on the Wisconsin Central was approximately \$2,500,000. The out-of-pocket loss incurred was over \$960,000.
- Under the railroad's proposal, out-of-pocket passenger losses would be reduced to about \$540,000.
- Statistics for the year ending November 30, 1957 show: at each Wisconsin community at which no train will stop under the proposed curtailed service between St. Paul and Chicago, less than 1.4 passengers per trip board Wisconsin Central R.R. (The Soo Line) trains.

No business, including a railroad, can succeed in the face of continued losses.

The Wisconsin Central R.R. (The Soo Line) feels that it enjoys the confidence of the people in its territory and that it will have their sympathetic understanding and approval in the proposed curtailment of service.
